1986-87 Had Lots Of Spirit!!!

The 1986-87 year at Tempe High has been more than simply a year of school books and term papers. It's taken on a certain new and exciting twist on the THS campus. Beginning this year, the spirit level rose a great deal and never seemed to fall.

All Buffaloes are essentially winners, because as a union of students we excel. We're much like a chain of students linked with the same ideas of school pride and unity, but take one link out of the chain and it's never quite the same. The moral of this phrase is simply that we must maintain that positive attitude about Tempe High even long after we've left it's hallowed halls.

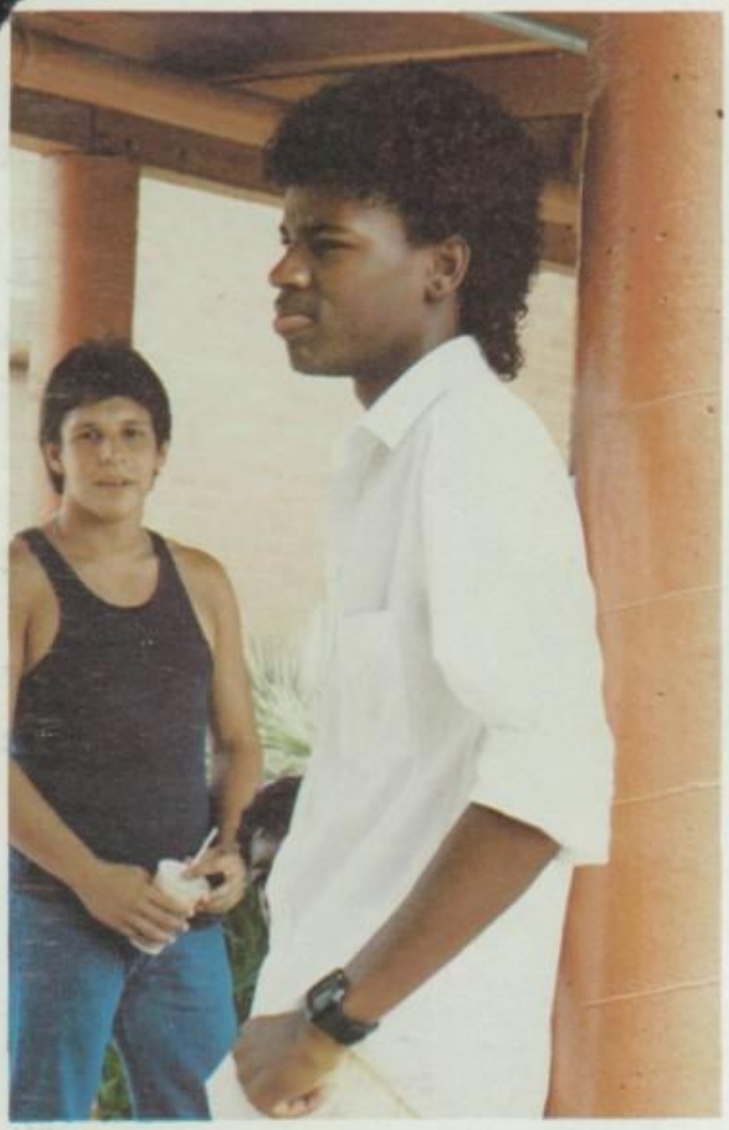
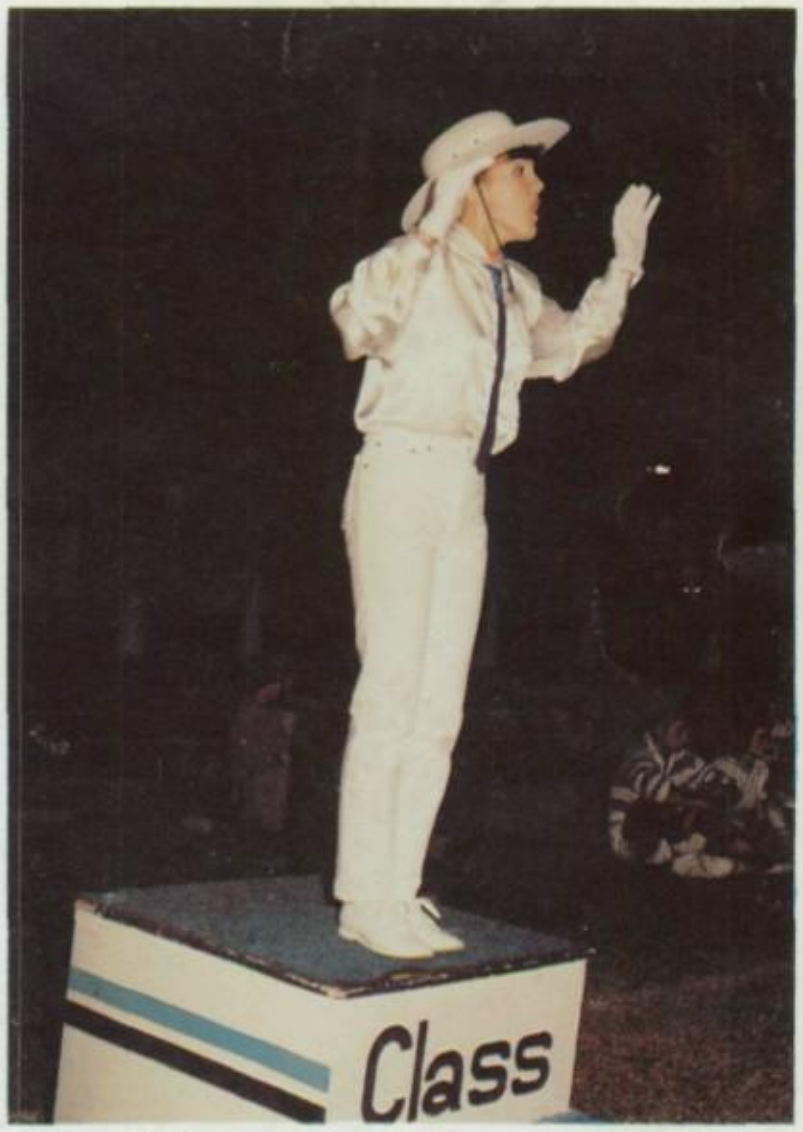
Jam on it!! THS students "jam out" at the *Hawaiian Dance* held after the Westwood game. Most of the dances had themes.



Ummmm... Senior **Martrel Turner** trys to remember all of his homework assignments for the day.

Eighty Seven, Eighty Seven...!!! *The Class of '87* shows that seniors have spirit too.

Here's the plan!!! Seniors **Matt Knutson, Roy Olson, Billy Newman, Benji Rodriguez, and Robert Mercier** devise a mean trick to play on an unsuspecting Freshman.



1,2,3,4!!! Drum major, senior **Michelle Comeaux**, instructs the band during one of the halftime shows at a football game.

Spirit!!!

BUFF PRIDE made a comeback this year. The spirit at Tempe High could once again be seen on and off campus, in class and out of class, and at the sporting events.

The idea of being a *True Blue Buffalo* was brought on by the class officers. The students who went here during the 1986-1987 school year are living proof that the spirit and pride at Tempe High School will live forever.

Here they come!!! An excited spirit line cheers on the Buffs after halftime.

Go Buffs! The Pep Club cheers the Buffs on as they attempt to defeat #2 ranked Westwood. The Buffs fell short 19-7.

Hail to our fighting team!!! The cheerleaders and pommies dance to the fight song during a pep rally.

Yeahhh!!! The THS *Spirit Bunnies*:Junior **Ken Richardson,** and seniors **Flint Craig, Mike Schutz, Ken Orman, Shad Griffin, Bill Carrasco, Russell Oonk, Rick Cramer,** and **Jim Schinn,** performed during the Westwood pep rally.

During Class...

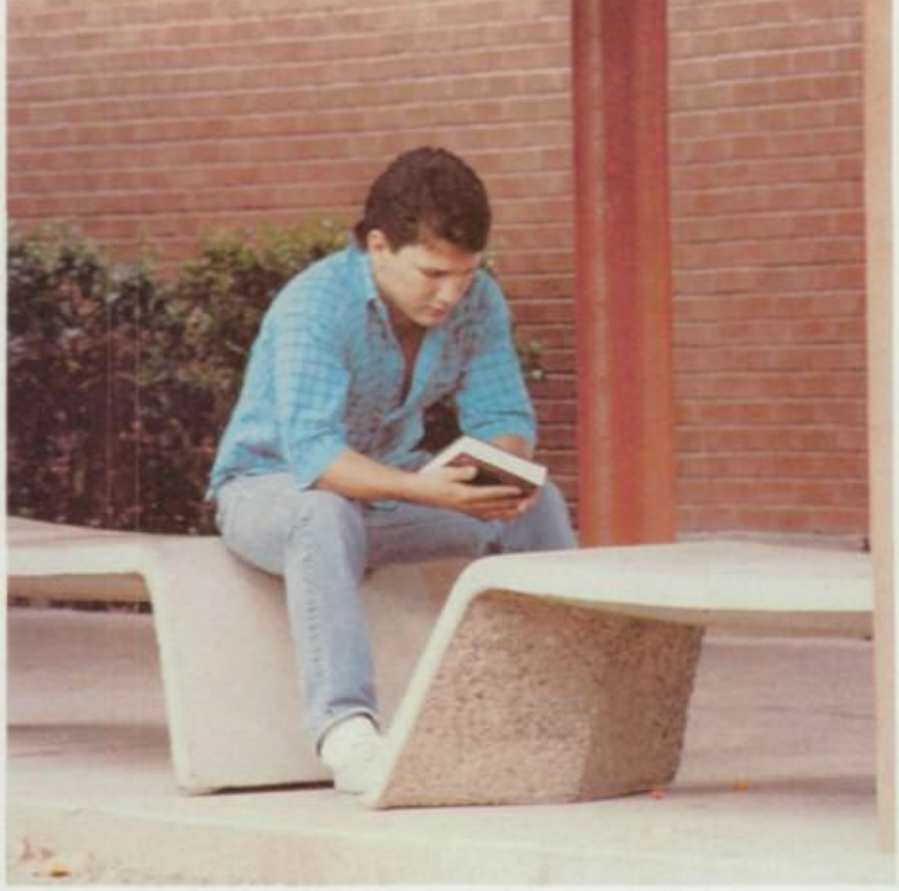
Not only was there pride at sporting events, but there was also pride in the classroom. Students, especially seniors, tried to get at least a "C" average. Sometimes this was hard, and next to the impossible, but we tried.

Tests!!! Students taking a test try to hurry and finish before the bell rings.

What a friend!!! Seniors **Chris Latam** and **Michelle Gomez** show everybody that they are friends.

ZZZZZZZ!!! Seniors in **Mr. Miller's** English class found it impossible to stay awake during his lecture.

C'mon bell...ring!!! Senior **Sonny Cannaigon** waits patiently for the bell to ring.

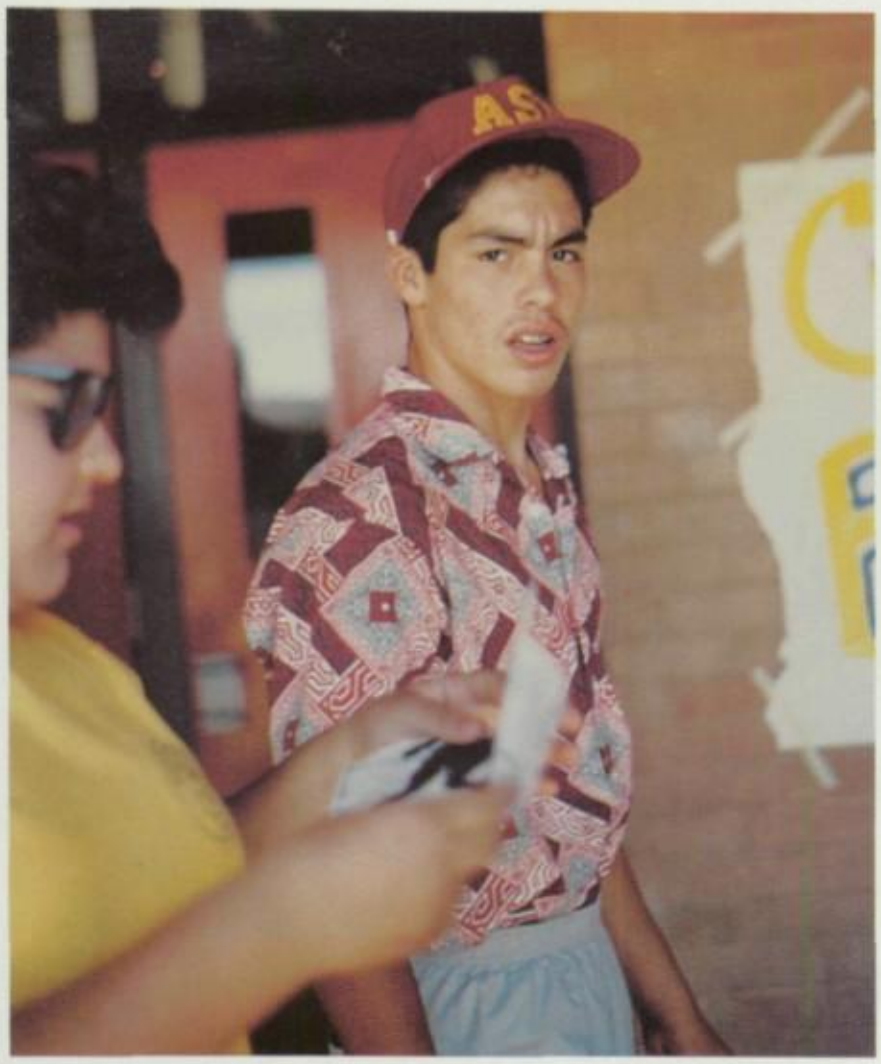


That was intense!!! Senior **Raul Ruiz** takes a moment of silence after reading his English assignment.

Around Campus...

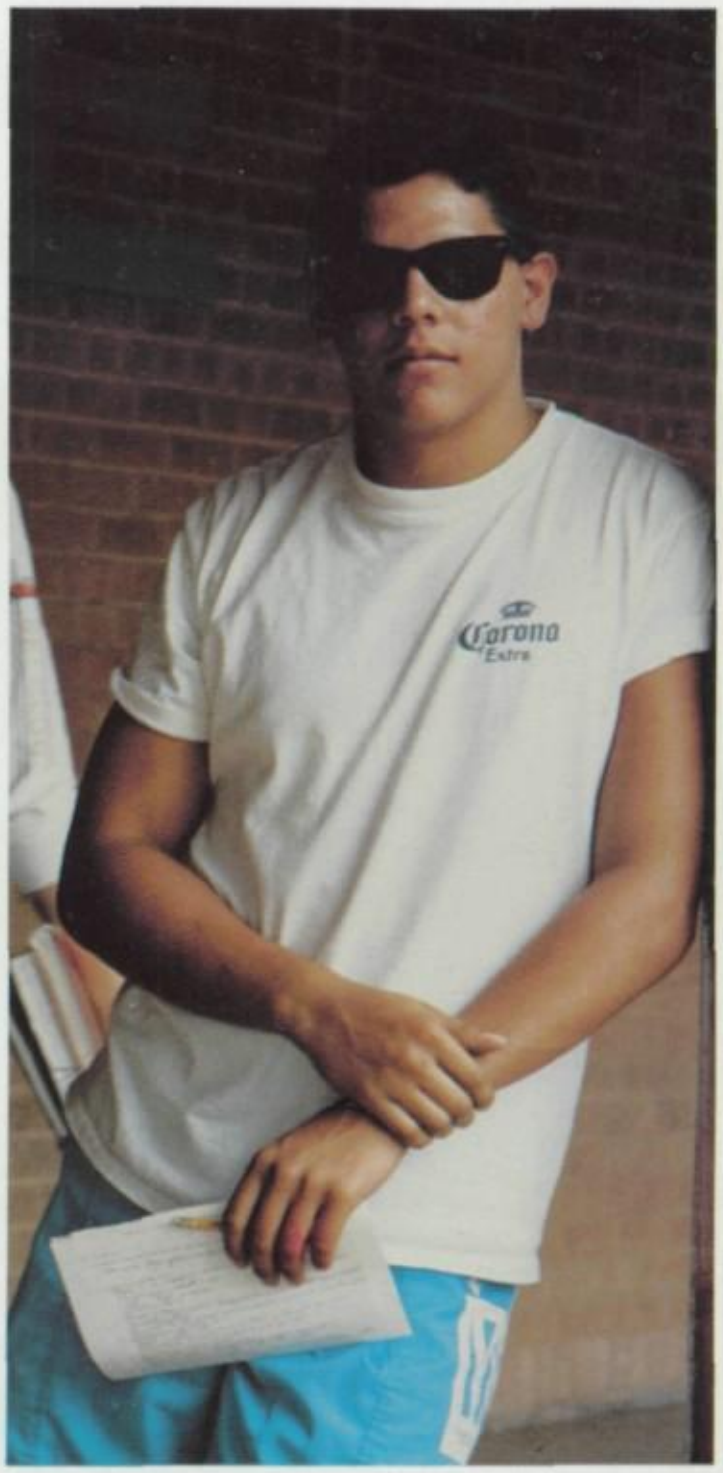
Between classes and during lunch hours, students could be found walking and chatting with friends. Some students even went into the quad area to study or catch up on a good book. No matter how busy we were, or how much homework we had, we always seemed to find time to relax with our friends.

Where's my Teddy???!! Senior **Raul Ruiz** wishes that he was back at home in bed.

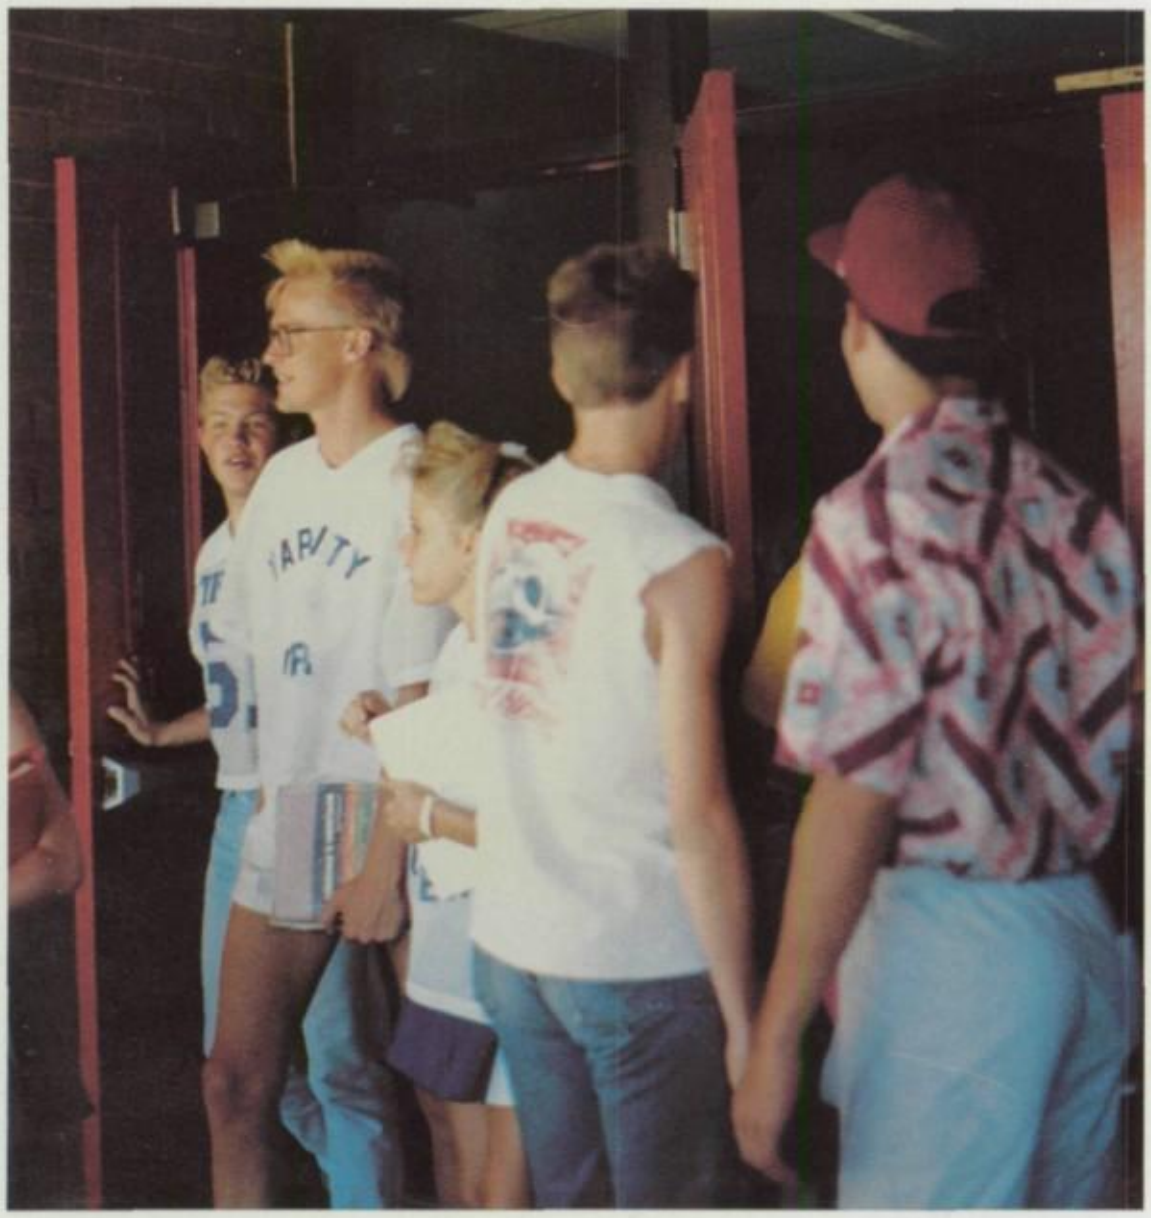


What??? Sophomore **Steve Mendoza** looks with disgust at a freshmen.

WOWWWWW!!! Seniors **John Trejo, Eric Schuyler, Keith Idso,** and **Nate Little** cannot believe the girl that just walked by.



I'm cool!!! Junior **Rick Lorenzo** shows everyone how cool he is, as he hangs out with the rest of the *studs* in front of Unit 5.



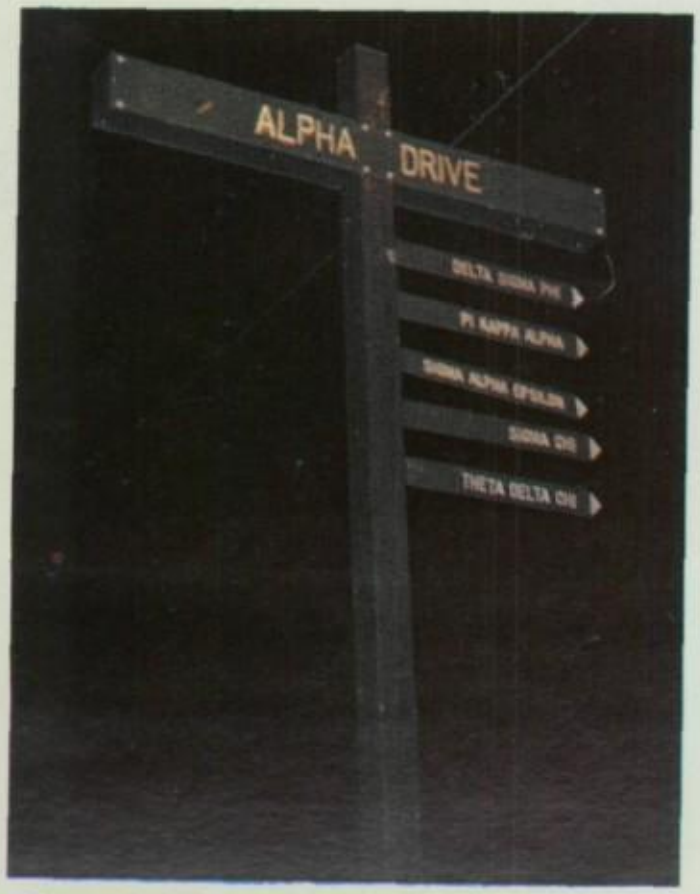
Spirit!!! Junior **Mike Dowhie,** and seniors **Ken Orman** and **Christy Pitman** promote the football game by wearing their uniforms to school.

Around Tempe at night.....

It's the weekend and the big question is "What do we do?" Weeknights aren't much of a problem. We stay home and study. But on the weekend? It's PARTYTIME!

Partying took many forms. There were always the school activities like games and dances. And sometimes the clubs had a special event. But if left to ourselves, we would have a party at a private home, play at some sport, go to a movie, try the game arcade, or just cruise looking for something to happen.

Slurp, slurp, slurp..Mmmmmm, good!!! Juniors **Jaunett McCormick, Eva Shivers,** and **Stephanie Leonard** enjoy themselves after a 50's dance.

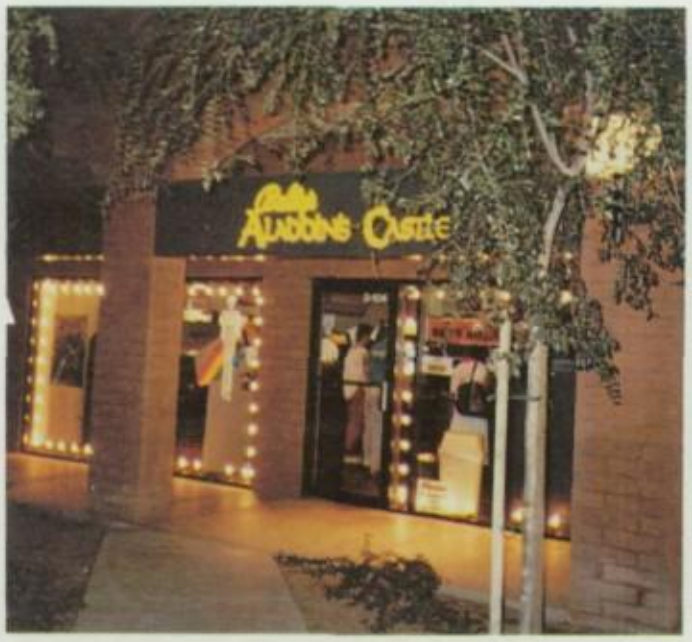


Over to Alpha Drive. Some students found old friends and made new ones at the many parties on Fraternity Row at ASU.

Let's party, Dude! A group of guys "pig out" after the game at *Peter Piper Pizza* across the street from the school.

Alone! As the saying goes, *Two's company, three's a crowd.* Couples occassionally come here to be alone together.

Dancing, anyone? A good place to dance and relax after a trying week at school was a good idea enjoyed by many.



Radical! Most of the time students enjoyed going to movies, dances or parties, but sometimes it had to be something different.. like playing video games.

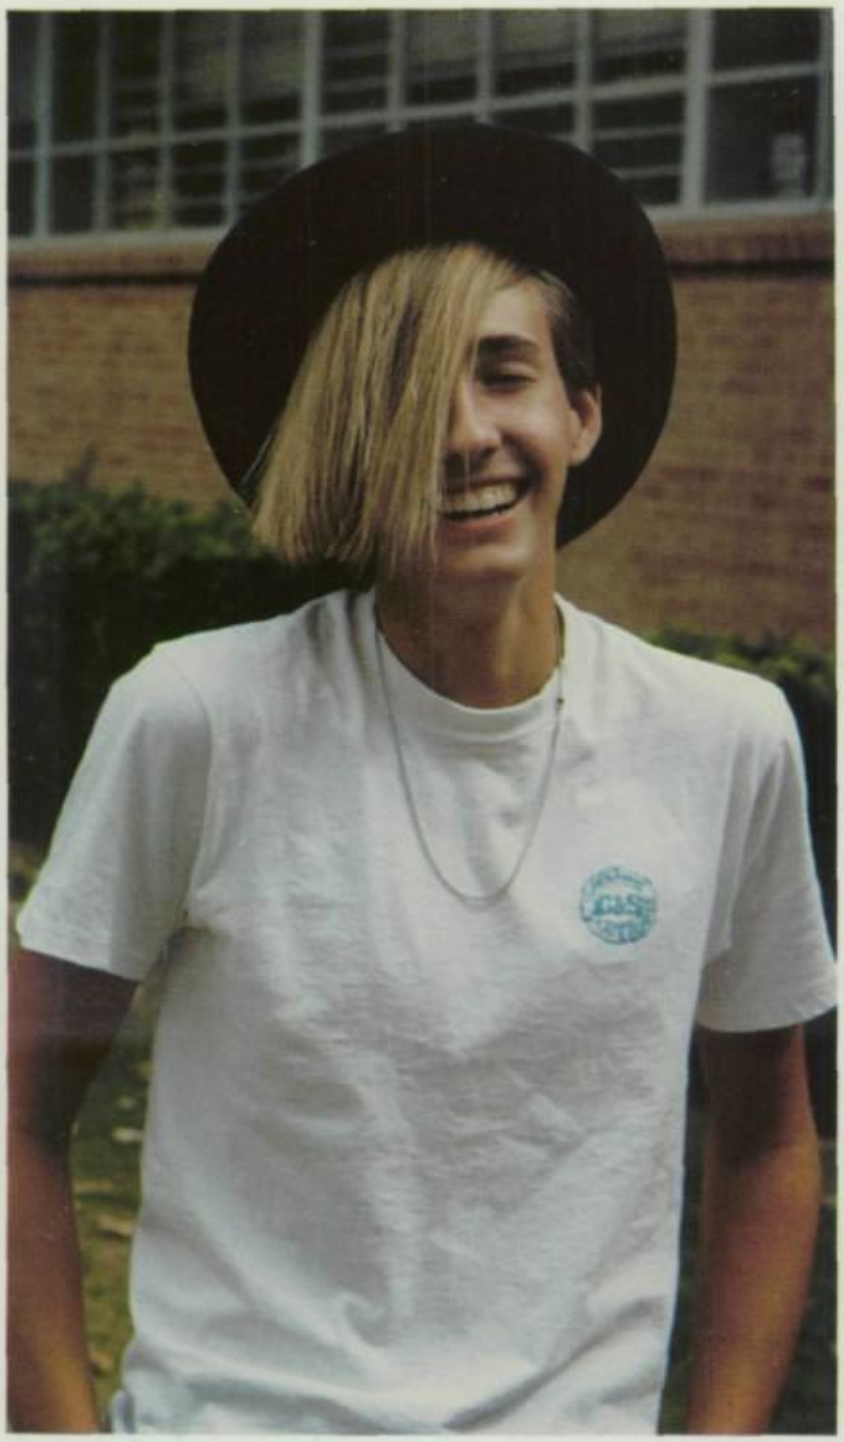
All right, you guys! Wondering who did it and who will receive the full force of his revenge was Junior **Derek Sanders.**

So what'll it be??? Eagerly asking that question many times in an evening were workers at the local fast food outlets like Senior **Diane Simon** and her co-worker, Jim.

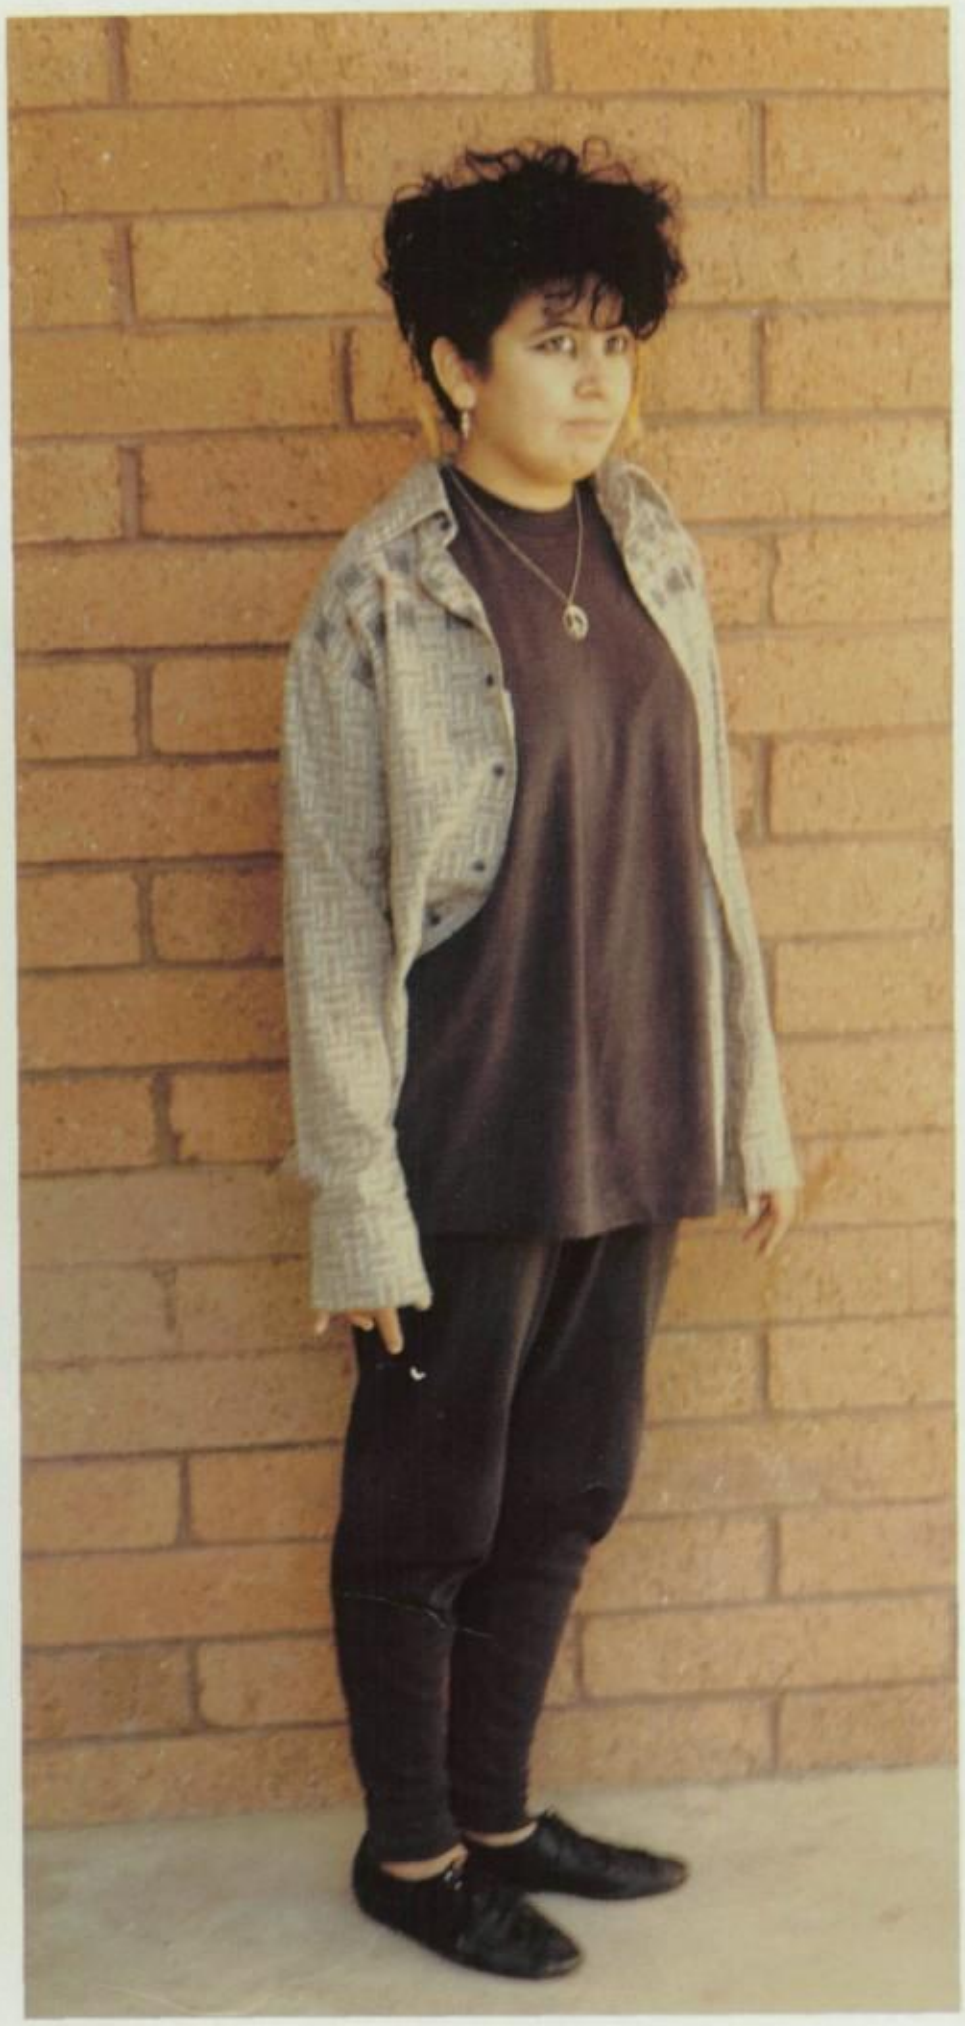
I've got it! People sometimes gather in the early evening for a good volleyball game at *Kiwanis Park.*

'Fun' decided THS'fads and fashions'

During this Tempe High School year most students were interested in dressing in the latest Fads and Fashions for school. They took pride in themselves and their clothes. The styles were especially fun this year because just about everything was in. You could put together the most outrageous trendy outfits, to the most conservative stylish outfits, and still look great.



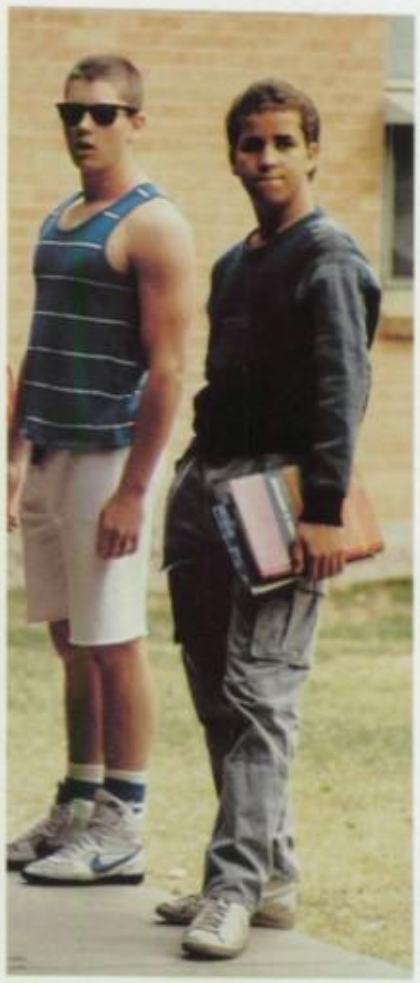
Ha Ha Ha laughs senior **Rod Ranks** at a really funny joke.



Being herself sophomore **Hope Flores** dresses in her favorite color, black, everyday!

Careful! Sophomore **Heather Spots** carefully puts on her make-up.

Get out of my way. Sophomore **Michelle Bassett** hurries to her next class.



Cute, huh? Staring at all of the cute girls passing by were Junior **Vince Bertelsen** and Senior **Sonny Waddell.**

Wow! Great! Students enjoyed wearing a wide variety of shoes to school. Most were popular brand names.

The Buffaloes' Favorites.....

The HOT one! Voted the hottest car on campus was **Flint Craig's** bright red *Mustang*.

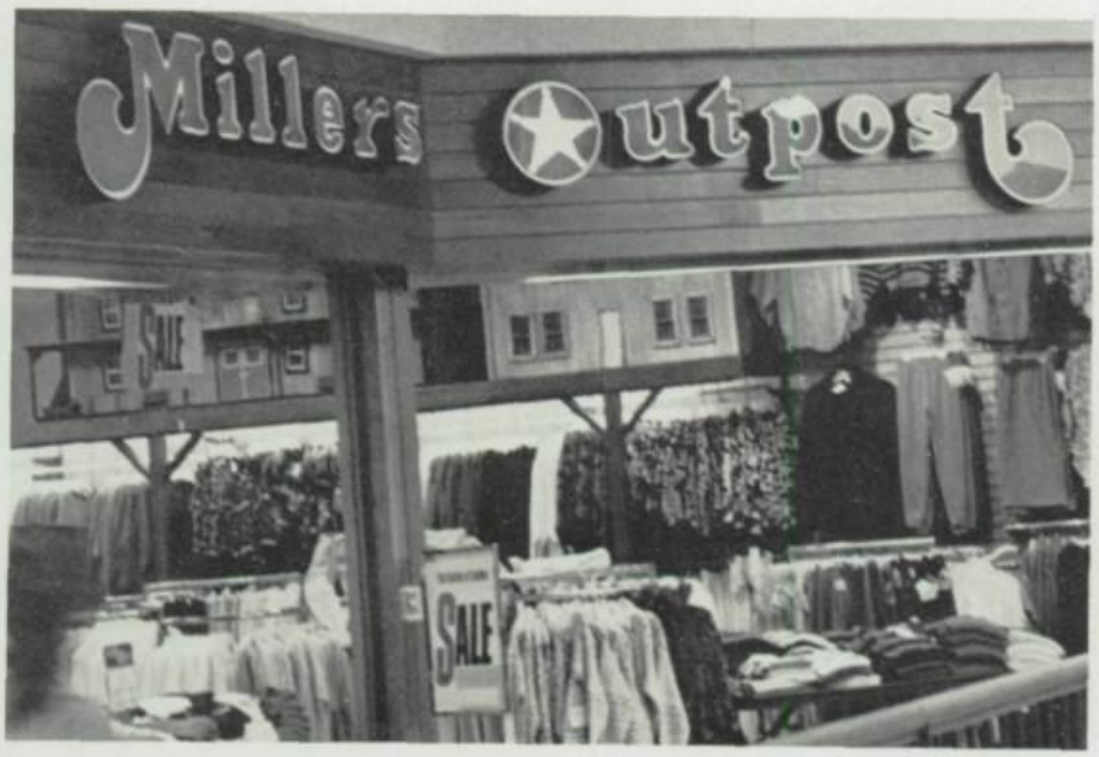
They're the ones! Based on a campus-wide survey, it was definite---Buffalo feet choose *Reeboks* for that cool, "in" look.

Payday! The most popular work place for Buff students who earn their extra cash at fast food outlets was the home of the Big Mac, *McDonalds*



Blue Jeans! *Levis* was among the favorite brands of clothes for Buffaloes and the favorite place to buy them was *Millers Outpost* at *Fiesta Mall.*

Guess! And other popular brands of clothing were purchased widely. Among the favorite stores was *MGA* located at *Fiesta Mall.*

FRESHMEN

Frosh confused, lost; soon grew, matured

When they first stepped on the campus, they were as confused as all of the Freshmen classes who had preceded them. They couldn't find where their classes were, they got harrassed by upperclassmen, and some even bought elevator passes. Probably one of the biggest problems was carrying all of their books around all day until the new locker area was finished and they could be issued lockers.

The world started looking brighter, however, after a few weeks. The class elected officers and sponsored its first dance, a rousing success.

They continued to grow into the spirit of Tempe High. Their football team set new records. They attended pep rallies and dances in greater numbers than was expected. They were enthusiastic, eager and very capable.

Through the year the class held a variety of fund raisers, hoping to finish with more money in the bank than other Freshmen classes.

As the year ground to an end, the class looked forward to no longer being the newest group on campus. But they were proud of the fact that they could look back and say, "Wow! We really had a blast! We're good!

SOPHOMORES

Sophomores on way to top through spirit, pride

With a sigh of relief that could be heard almost to "T" Butte, the sophomore class realized they were no longer freshmen. It was most obvious on the first day of school when they knew their way around!

It was a year of very hard work and learning for the class officers as they guided the class through the sponsorship of a major dance, Coronation. To make money for the dance, they conducted many fund raisers including the sale of spirit ribbons, candy and mugs. Their hard work is sure to pay off when they begin working on the Prom next year.

At year's end, they were confident and looking forward to next fall when they would be upperclassmen. But they are still the same students and know their class will reach the top through spirit and pride.

The Sophomore Class Council. Girls Representative Jeanette Morens, Boys Representative Rick Cramer, Secretary Andrea Cook, President Valerie Navarrette and Vice President Christine Tucker.

JUNIORS

Goal-setting Juniors were top achievers

The mighty Junior class set goals for itself at the beginning of the year, goals it gained. They scheduled a Hawaiian Beach Party, the Talent Show, the Prom and MANY fund raisers. And, the class gave a special gift to the Class of '87 at the end of the year.

The class is composed of some of the most accomplished students in Tempe. It has the distinction of being not only united in spirit, but also in academics, athletics and the arts.

Under the strong leadership of its officers, the class continually strove to make itself long remembered at Tempe High as THE class, the Class of '88.

The Junior Class Council. Front row: Secretary/Treasurer Kenneth Richardson, President Stephanie Leonard and Boys Representative Frank Valenzuela. Back row: Girls Representative Nicole Saliba and Vice President Eva Shivers.

SENIORS

The Senior Class Officers. Andy Ortiz, President; Suzette Cowley, Girl's Representative; Flint Craig, Secretary/Treasure; Shad Griffin, Vice President; Bill Carrasco, Boy's Representative.

When it comes time to describe the Class of '87, many words pop into one's mind. *Awesome!, Unique!, Radical!,* but definitely not "mellow". It's not an understatement to say that the Class of '87 has been one of the finest ever produced by Tempe High, and it's certain that this year's Senior Class will long be remembered.

Our experiences as Tempe Buffaloes began four years ago, our freshman year. All of us were still a bit self-conscious due to the fact that many of the other Freshmen had attended a rival Junior High. However, by the end of our Freshmen year, we had thrown our Junior High loyalties by the wayside and we adopted the religion of "Buffaloism". This played a key factor in the future of the Class of '87, and how unified we would become. Now it is four years later, and we are finally the graduating Senior Class of Tempe High. We are revered around campus due to our unparalleled spirit and pride, and we had been awarded the honor of *Class of the Year"* in 1985-86. That unity that had been sparked at the outset of the 1983-84 school year had matured and had successfully made the Class of '87...the all-time "True Blue Class!"

quoted from senior class president, Andy Ortiz

SPORTS

Varsity team had pride, worked together

It was a season of close ones, many of which "got away." The won-lost record was not what the team had hoped for but they never stopped trying. Each game lost was a result of a few close calls, a missed block or two, or a dropped pass.

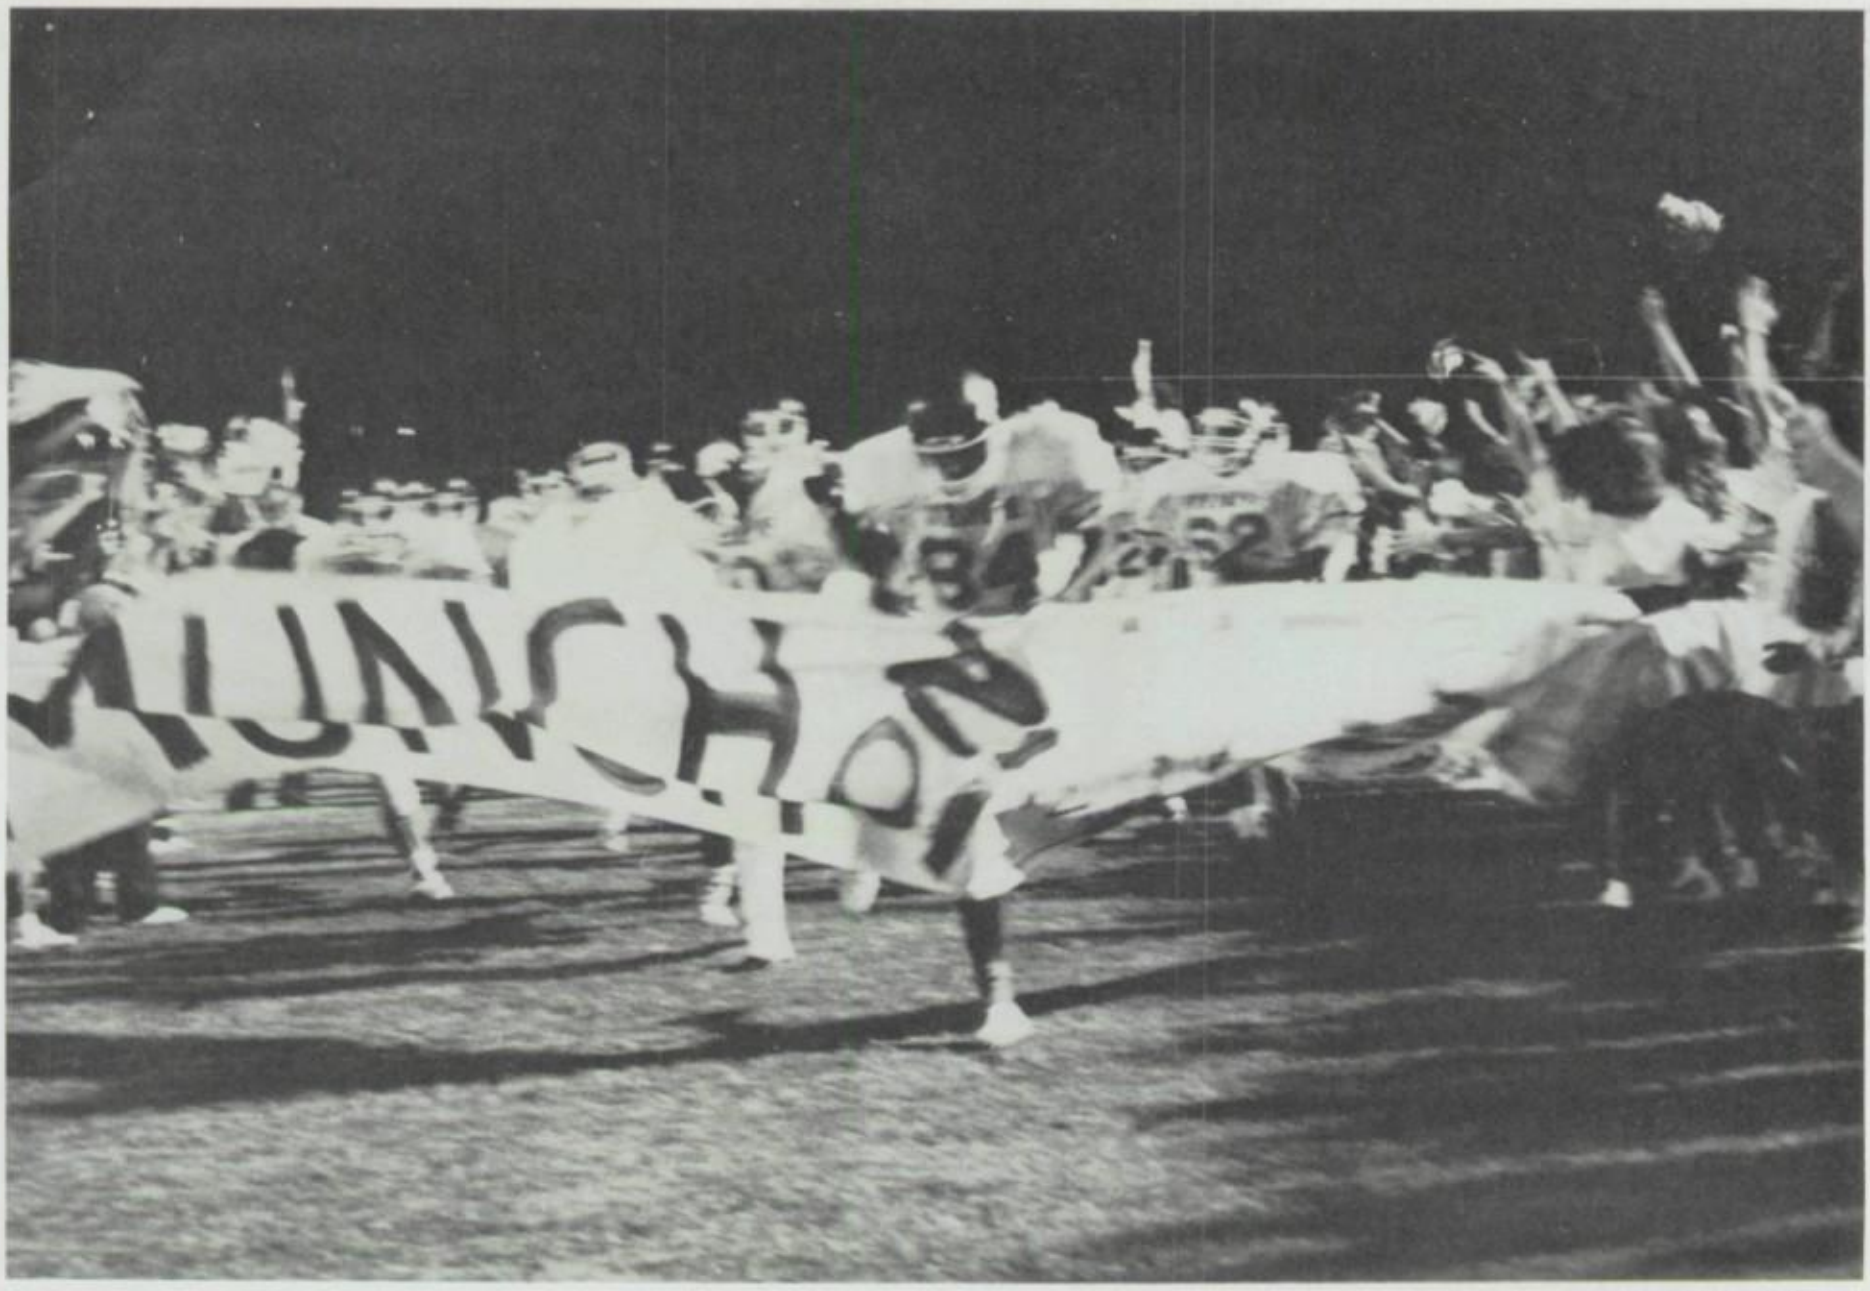
The entire team "worked hard and played tough." According to Senior Jim Shinn, "We had a lot of team spirit and pride."

Among the outstanding players mentioned by the coaches were Seniors Gary Ostendorf, Carl Strempke, Jay Lister. Travis Holland and Jim Shinn; and Juniors Dave Robson, T.C. Wright, Todd Houck and Luke Schenzil.

All the way! Carrying the ball for a touchdown against Mesa was **Jim Shinn.**

Where is everyone? Starting quarterback **Dave Robson** looks down the field for an open reciever.

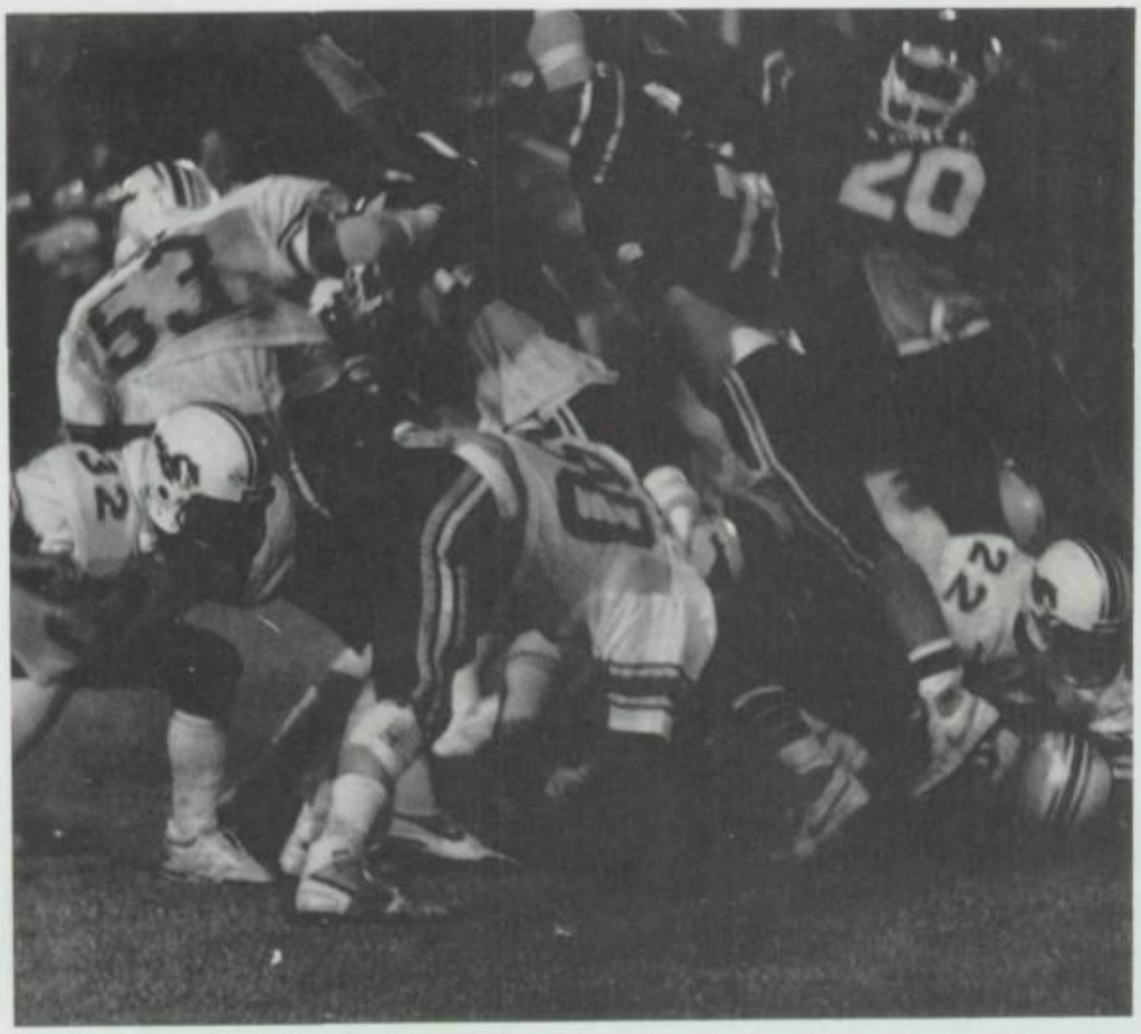
Look out! Running the ball was **T.C. Wright (21)** as **Luke Schinzel (65)** makes a great block against Cortez.



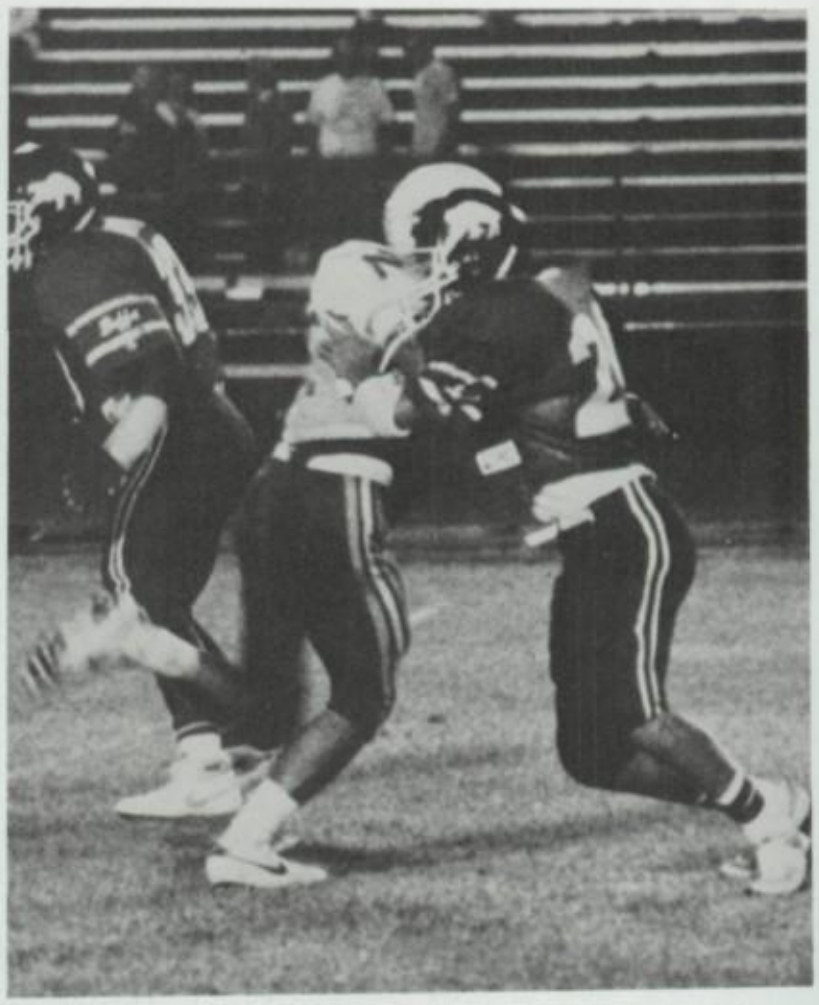
All right Tempe! The team comes back from a half time lecture to a great welcome by the spirited THS fans.

What power! Stopping the Dobson player was **Scott Jordan.**

Hold him back! Stopping the Chandler player was **Jay Lister.**



Get it! Tempe gets the ball after both teams struggle in a dog pile.



Stick him! On the kick off against Dobson **Raul Ruiz** makes a block.

Teamwork! All going in for a gang tackle are **Todd Houck, Jim Shinn, T.C. Wright,** and **Carl Strempke stopping the opponent from gaining yardage.**

Pushing the Dobson defender was **Dwight Johnson (33)** as **T.C. Wright (21)** ran the ball.

Psych! Sophmore running back **Toby Wright** fakes out two defensive players and trys to gain more yardage.

Ready Buff fans? Sophomore running back **Kevin Jackson** looks down the field with intentions of going all the way.

Oh baby, wacth out! Sophmore running back **Toby Wright** is ready to go all the way with the help of Sophmore line backer **Don Cox** with his nice coverage.

Buffaloes! Sophmore linebacker **Don Cox** has plans for just running over defensive players and racing down the field into Buffalo Territory.

Losing season doesn't daunt JV Football

Despite the work of some talented individuals, the JV Football team ended with a losing season. Their lack of wins, however, did not stop the team's efforts. The lack of a strong passing game was offset by the rushing talents of Toby Wright who gained nearly 100 yards per game. According to Coach Shannon Radford, the team performed "fair" and he cited Sophomores Joe Quihuis and Nacho Hernandez as the team's outstanding linemen. The defensive leaders were Sophomores Donny Cox and Junior Karl Krum.

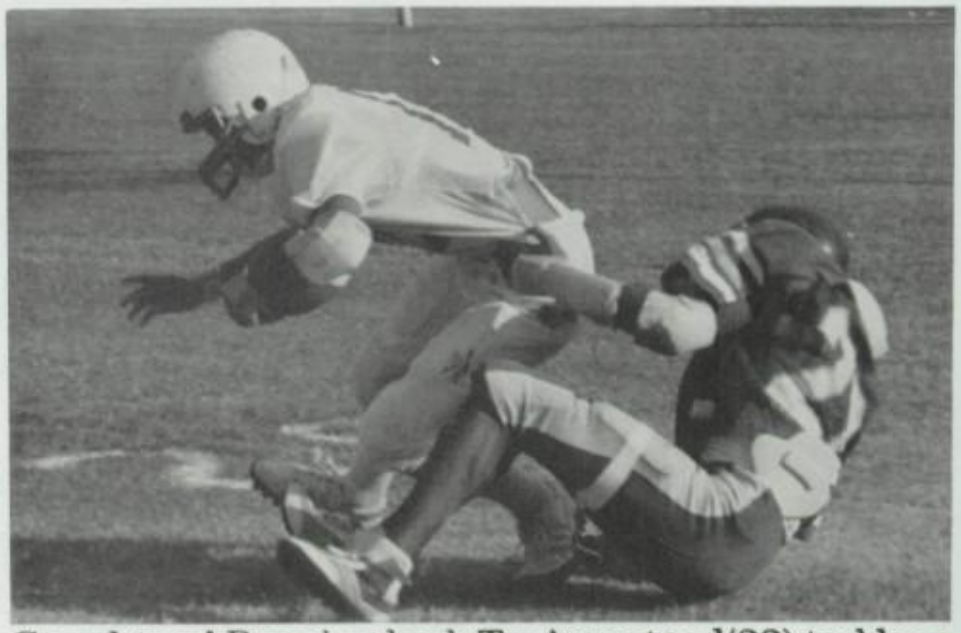
Freshmen Football showed true Buff skill

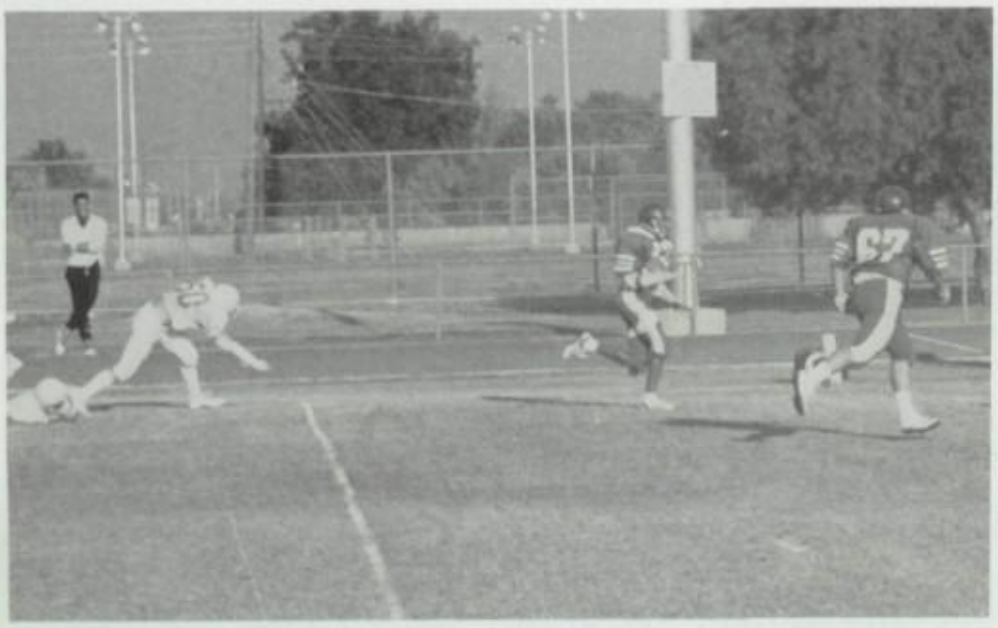
It was an outstanding year for Freshman football with the team heading toward an undefeated season. The team's abilities and accomplishments drew many excited Buff fans and parents to their games, a rarity for underclass athletics.

According to the coaches, all of the players demonstrated remarkably good skills but four were particularly outstanding. They were running back Ty Armstead, linebacker Steven Douglas, guard Steve Carr and lineman Blaine Comeaux.

Head Coach Curtis Cook said, "This is the best freshman team I've seen. When these guys get to the Varsity, they'll be awesome. Look for a championship from them."



Caught ya! Running back **Ty Armstead(22)** tackles a Powell player at the 20 yard line!



That's Two down..... Runningback **Ty Armstead (22)** easily escapes some would be tacklers while **Adrian Chaffins (67)** runs to block.

Here he comes! Running back **Ty Armstead (22),** heads for some yardage as teamates **Larry Ostendorf (11), Steve Carr (50)** and **Mario Extrada (77)** clear the way.

Watch out! Fullback **Steven Douglas (30)** searches for an open man.

Let's Go! Slot back **Brian Watkins (23)** pulls away from an opponent's grasp.

We can play rough too! Noseguard **Brad Baughman (82), Ty Armstead (22)** and **Mike Conway (43)** stick it to the ball carrier as defensive end **Blaine Comeaux (80)** and linebacker **Steven Douglas (30)** run to get in on the action.

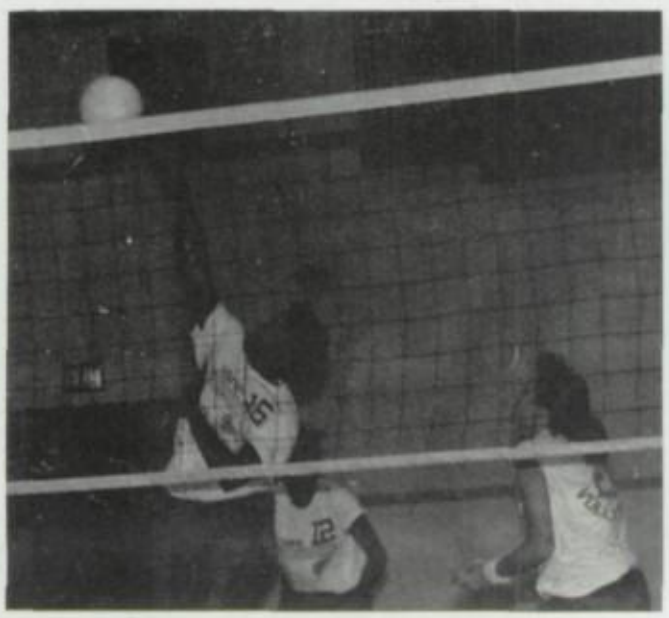
Volleyball ends on top

Coming from the bottom up in a period of three years, the Varsity Volleyball team made great strides in becoming one of the top teams in the state and in taking first place in the Central Tournament. The team had six returning lettermen. The group's leaders were five graduating seniors who took the team to a great season, easily their best in many years.

Slam! With all her power Junior **Trina Gary** spikes the ball.



Got it! Streching to great lengths is Sophomore **Elita Washington.**

Are you ready? Setting the ball to Sophmore **Elita Washington** is Senior **Gina Robles.**

In your face! A block by **Trina Gary** results in a point for the Buffaloes.

Let's Go Buffs! The Buffs get psyched by giving high fives before the game and Senior **Gina Robles** leads the way!

Ughhh...! Getting both hands on the ball, Senior **Jenny Schrack** makes an ace block with Sophomore **Elita Washington** assisting.

Optimism, camraderie help Frosh Tennis

It was a learning period coupled with strong camraderie for the Girls Freshman Tennis Team. At season's start, many didn't know how to hold a tennis racket. But with concentrated effort on basics, footwork, serves and, above all running, Coach Lesley Hamilton had a group of which she was justifiably proud. Their optimism and feeling of belong ing to a team kept their spirits up when some of the close calls meant losing a match. At season's end, three of the girls opted for the varsity team in the Spring.

Golfers make history setting new records

The Buffalo Golf Team made history this year. The team broke all of the school's golf records, including those that they set last year. Responsible for the feat were the team's top five, Junior Rob Mangini, Senior Russel Oonk, Senior Andrew Hershberger, Sophomore Steve Fox and Sophomore James Pauley.

"This is definitely the best team that I've ever coached here at Tempe HIgh," said Coach John Pauley. "These guys have real Buff pride and individual ability. And they are willing to go that extra mile in practice to insure that they're ready for the matches."

Coach Pauley was also pleased that there were only two seniors among the top five golfers on the team. "That means things will continue to look up for the Buffs next year. We're going to have people at State, I'm sure."

This year's team was also graced by its first girl golfer, Stacy Nakamura, who was a high spirited junior. According to her teamates, "She adds a whole side to golfing which this team has never seen. She's great, fits in easily, and is really part of the team."

Varsity basketball has successful season

It was another up and down year for the Varsity Basketball team as they strove to meet their team goal of making it to the State playoffs.

The consistency desired by both the coaches and the players seemed to be lacking for most of the season. A night when the team was "hot" might just as easily be followed by one when they couldn't buy a basket.

But through constant striving, working hard and keeping their spirit and pride alive, the team managed to complete what must be called a successful year.

Hurry! Senior **Dave Robson** passes the ball in to an open team mate.

Buff wrestlers 'shape up' after slow start

"We started out of shape. But when the time came, we won," said Varsity wrestling Coach Curtis Cook. And winning was the name of the game for the Buffs in most of their AAA matches. The team's year was probably best described by one wrestler when he said, "I can summarize the season in three words. We Are Bad!"

The JV wrestlers also had a successful season with most of them working to improve previously learned skills and aiming toward a spot with the Varsity.

Freshmen wrestlers tried to learn the basics and apply them against equally inexperienced grapplers.

Varsity Softball considered 'competitive'

The Varsity Softball Team was considered among the best because of the great depth in experience. They had six seniors who had been playing together for several years. Five of the six were starters.

Each of the players worked hard to make it to the playoffs and to reach both their individual goals and the team's goals. It was a tough battle all season long but, as stated by Coach Tony Occhiuzzi, "The team was very competitive and fought for every point."

Here's the plan. Coach **Mike Grimaldi** instructs the team for their next play.

Experienced seniors strengthened team

The Varsity Soccer team matured to an experienced "senior heavy" group. All season, the team refined its effort going "to-to-toe" with the toughest teams in the state.

Memories will remain in each players mind of the long practices, the indoor games, the red cards, the black eyes, the broken noses, the spirit boxes and the referee's calls.

It will always be rememberd as a competetive team with a sense of unity and Buff pride.

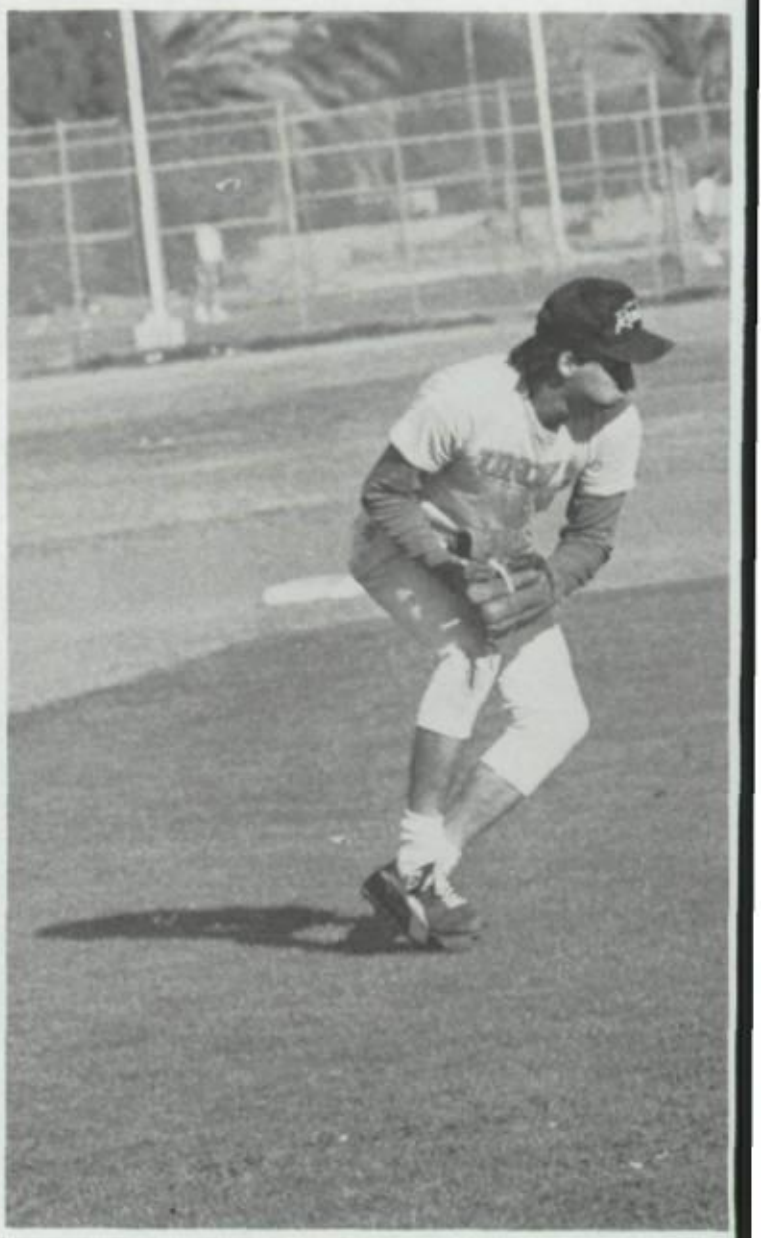
Baseball team inexperienced, starts over

The Varsity Baseball Team started their season in March. According to Coach Jim Foster, this year's team was "very young and inexperienced."

Foster commented that the team's lack of experience is a result of not enough returning Varsity players. "This team had to start from scratch and we worked our way up," he said.

There were eight returning lettermen including Seniors Randy Cervantes, Raul Ruiz, Jim Mahoney, and Ty McGraw; and Juniors Rick Oliphant, Eric Alexander and Dave Robson.

Will I make it? Junior **Eric Alexander** hopes that Sophomore **Shane McGinnis** doesn't make the tag.



Watch out! I'm going to get you this time! Senior **Randy Cervantes** gets ready to throw the runner out at first.

Poms work hard; achieve set goals

A four-day camp at NAU during the summer set tone and major activity of the Pom line during the year. At the camp, they received a Superior rating and a special trophy. The rating enabled them to participate in a regional competition in California over Christmas break. Thus, most of their money raising activities were aimed at getting to the West Coast and back.

In a return to past practices, the Pom line once again participated fully with the Buff Band, competing in both the NAU and the ASU band days. At both competitions, they earned the top rating.

Hard work, pride, guys made unique Varsity Cheer Line

Being a Varsity cheerleader means hard work, having pride in yourself and being proud of your school. This year's line had the nedded pride and certainly put in the hard work.

What made the line unique for Tempe High was the presence of two guys who added a completely new dimension to the cheers and formations.

The hard work started early each morning as the squad met to work out routines, mounts and cheers. They were at football and basketball games throughout the season to keep the rowdy Buff fans cheering and yelling for the Buff teams.

The JV and Varsity Cheer Captains. Sophomore Valerie Navarrette, Senior Debbie Pinter and Senior Michelle Virgo.

Spirited JV Cheerline helps support Buffs

Enthusiasm and spirit were the hallmarks of the JV cheer line. They were always busy during their early morning practices. They had many ideas for helping to promote spirit for the JV football and basketball teams.

Captain Valerie Navarrette said that she was "very pleased with the attitudes and pride that this line displayed all year." All of the girls are looking forward to trying out for the cheer line to urge the Buffs to victory next year.

Frosh Cheer was hard work but worth it

Cheering on the outstanding Freshman teams kept the Frosh Cheer Line more than busy. Meeting early each morning to devise and practice routines and cheers, the girls quickly found out that they had taken on a big job when they volunteered to try out for the line.

The tryouts themselves were scary and exciting. Though the judges said all the individuals who tried to make the line were good, they had to limit the number and picked what they considered to be an outstanding line.

The judges appeared to be right as the girls even went to away games to lead the excited Buff fans in cheers, chants and yells.

Matmates keep scores, help at matches

During wrestling season, one of the busiest and most visible clubs on campus is the Matmates. Dressed in their blue and white uniforms, the girls work at all the wrestling matches keeping scores for the referees.

Becoming a Matmate is not just a matter of wanting to. The girls are required to study the rules of wrestling and then pass a test on both the rules and the signals passed by the referees. Then they are interviewed by a group of members and teachers.

Sore, hurt athletes mended by trainer

Now that we've seen all the glorious moments in sports, let's take a look 'behind the scenes', a look in the training room. Whenever an athlete was injured, a coach would say, "Go see Mrs. Beerman." Mrs. Beerman is the hero who kept all of the athletes taped together and helped get them back in the game as soon as possible.

Mrs. Beerman had student trainers this year. They are student athletes who learned how to tape and helped her out. Shane McGinnis, Julie Celaya and Debbie Pinter are three of them. Quite a few athletes were even found helping out on busy days by pre-wrapping for her.

Name please? Equipement Manager **Steve Kempton** issues out uniforms to all athletes.

'True Blue' spirit aim of Council

Bringing back the old *True Blue* spirit of Tempe High was the primary goal of the Student Council. With Principal Dr. David Annala as the new sponsor and under the leadership of President Jim Shinn, the Councili did just that.

They began the year sponsoring the first dance. That success was followed by several well orchestrated pep rallies and a beautiful Homecoming Week.

Other successes followed throughout the year. What was notable about their accomplishments was that many of the Council members were in their first year of student government.

FFA: Smaller but still alive

Though small in numbers based on the standards of a few years ago, the FFA was still going strong despite rapid urbanization of this one time farming area. Throughout the year the club participated in a wide variety of activities ranging from their annual Bar-B-Cue to judging livestock at the Arizona State Fair. They also judged cotton at the University of Arizona and participated in a public speaking contest. The group continued to develop leadership, cooperation and citizenship in its members.

Composed of all athletes who have earned a letter at Tempe High, the Letter Club set as its primary goal the promotion of good sportsmanship both on and off the field of play.

Among the most productive of their endeavors, as far as being French was concerned, was a cheese-tasting party, a luncheon at Cafe Casino and the producing of a play. They also became involved in candy sales as a fund raising activity.

New MECHA club had active year

The MECHA club got together again after being inactive for a few years. The purpose of the club was to promote Hispanic culture and traditions. Meeting each Friday after school, the completely voluntary group judged, graded and finally selected the best of the work of the Tempe High community.

Selected staff members then got into the business of designing the pages, setting the type and pasting the corrected copy on the pages so they could be sent to the printer "camera ready."

National Honor Society had slow start, got better

The National Honor Society started the year a bit shaky and slow according to some members. "This club seems so unorganized," said NHS member Jenny Schrack. But, working together, the club improved. They organized some activities and began having a great time.

The purpose of the NHS is to encourage and facilitate four areas of emphasis at Tempe High; scholarships, leadership, service and character. The club's area of emphasis this year was helping students who were in need of tutoring.

We've got the spirit!

The newest and apparently largest club on campus was the Pep Club. Organized to regenerate spirit and pride in the school and its teams, the club was hugely successful. There was an obvious change in student attitude and attendance at games quickly increased. The noise level stayed high even though the teams were not always successful.

The club sold Buffalo sweatshirts to raise money and spent most of it to paint spirit signs and otherwise raise school spirit.

Hurray! Pep Club members cheer when the Buffaloes make a touchdown.

What is he trying to say? Pep Club members try to follow the lead of another member as he leads them in a cheer.

BOY, GIRL STATERS LEARN ABOUT POLITICS

Aimed at teaching citizenship and a better understanding of the American system of government, the summer camps of Boys and Girls State found six Buffaloes in attendance last year. The three boys went north to NAU while the girls traveled to Tucson and the U of A.

At both camps, the participants from high schools throughout Arizona divided themselves into political parties and organized and ran a miniature state. It was a unique but impressive way to learn how politics really work in the real world.

FOREIGN STUDENT ENJOYS LIVING IN TEMPE

The only foreign exchange student at Tempe High was Michel Shutz from the tiny country of Luxembourg in Europe. Michel said that he very much enjoyed living in the United States and particularly Arizona. "I like the great variety of countryside, from deserts to mountains, that are here," he said.

Michel particularly enjoyed the great variety of classes that were available to him at THS. He said that in his country the courses were set and everybody had to take them.

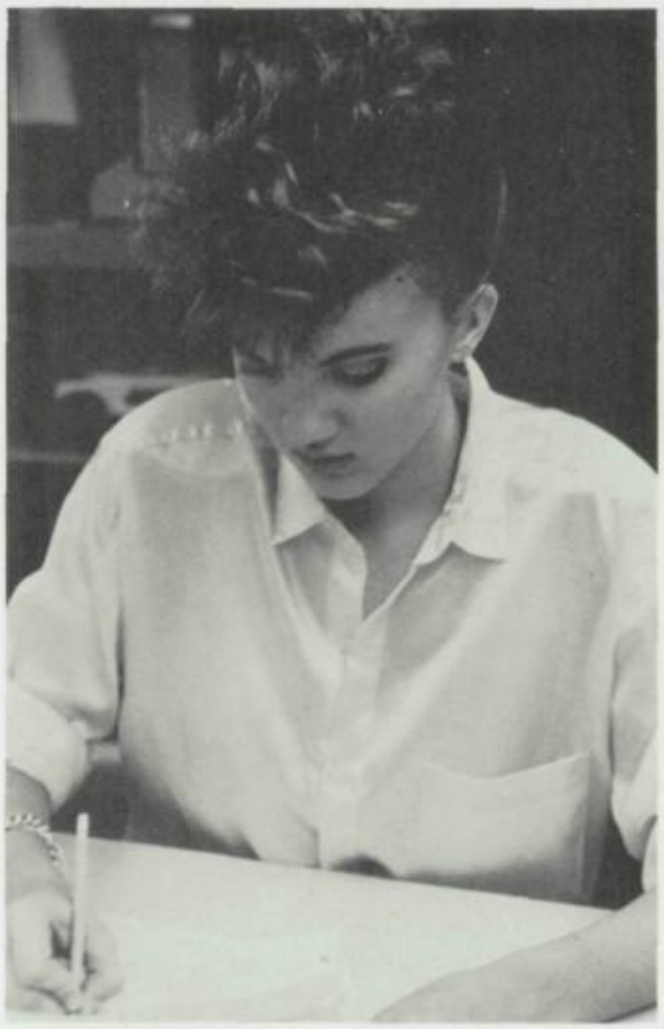
DEADLINES KEEP NEWSPAPER STAFF HOPPING

Chasing interviews, writing in a noisy room under pressure, and trying to meet both the typesetting and the pasteup deadlines were all chores faced by the staff of the student newspaper, *The Buffalo,* each two weeks.

It was one of the few high school newspapers in the Valley to come out so frequently in an eight page tabloid format.

Mr. Chuck Newton, advisor, said, "I'm really proud of their accomplishments. They do it all from beginning to end and send the copy to the printer camera ready. That's asking more than the ordinary from a class that meets one hour a day."



Is that right? Copy Editor **Michelle Comeaux** checks a story for accuracy.

It's not ready! Ad Manager **Missy Pierce** pastes up an advertisement.

If I cut it here....Pasteup Editor **Jana Forister** worked many hours each issue checking to see that all was in its proper place.

STAFF STRUGGLES, LEARNS; DEADLINES MET

The largest yearbook staff in years struggled to meet their first two deadlines, barely succeeding. It was touch and go as the many new staffers tried to 'learn while doing' and the old hands explained and tried to remember exactly how it was to be done.

But they did learn and the two periods met their deadlines, finishing the pages early enough to impress even the printing plant.

It was also the largest book ever produced at Tempe High and contained more full color pages than ever before.

Advisor Mr. Chuck Newton said, "I was hard on the staff. The first semester was a real difficult time. But after that, it was a piece of cake."

I say that way! Discussing the senior section layout are Seniors **Derek Wozencraft, Jayne Scott, Debbie Johnston, Marni Glenn, Eve Tuhey** and **Brandon Grantham.**

ORCHESTRA REQUIRES AUDITIONS, TALENT

To be in Tempe High's Concert Orchestra, students had to audition to demonstrate their ability to play their instrument and to read music. Those who qualified could also audition for the Regional Orchestra and fewer still for the All-State Orchestra.

Under a new director, the Orchestra headed to San Diego, California, in the Spring to perform in the *Heritage Festival.*

In December, the Orchestra combined forces with the school's A Capella and Chorale singing groups to provide a Christmas festival for the community in conjunction with similar groups from the other three schools in the District.

BAND WORKS HARD, PLAYS, RATES SUPERIOR

A uniformless band entered the marching season determined to be the best. The days spent at band camp during the summer and the daily early morning practices began to pay dividends as soon as they took to the field.

The Buff band's capabilities were no better demonstrated than at the NAU and ASU band days where they earned *Superior* ratings.

CHOIRS SANG IN SAN DIEGO IN SPRING

A Capella is the concert choir, the top choir in the school. To be in A Capella, a student had to audition. Most also auditioned for Regional Choir and All-State.

The Chorale is an intermediate choir. Like the A Capella Choir, students had to audition for membership. They sang locally only. Many Chorale members also auditioned for the Regional Choir.

In the spring, the A Capella Choir traveled to San Diego, California, to perform at the *Heritage Festival.*

'BEHIND THE SCENES' WITH TV PRODUCTION

"Cue talent! Camera one! Action!" Those were nearly daily commands in the TV Productions class as the budding cameramen and directors worked on a visual yearbook of the year at Tempe High for presentation over the local lcable channel.

Problems were many with equipment, learning new techniques, writing scripts, and editing the raw footage into a professional show which could be offered for public viewing.

Quiet on the set! Juniors **Valerie Paredes** and **Davis Mattson** get ready to film, while Sophomore **Cynthia Brooks** and Freshman **Porsha Jones** talk.

Good job! Juniors **Valerie Peredes, David Mattson** and Sophomore **Cynthia Brooks** take a break after working with the cameras.

Concentrating hard. Sophomore **Cynthia Brooks** works with the camera while Junior **Devid Mattson** sits and watches .

Homecoming '86 had a 'Touch of Class'

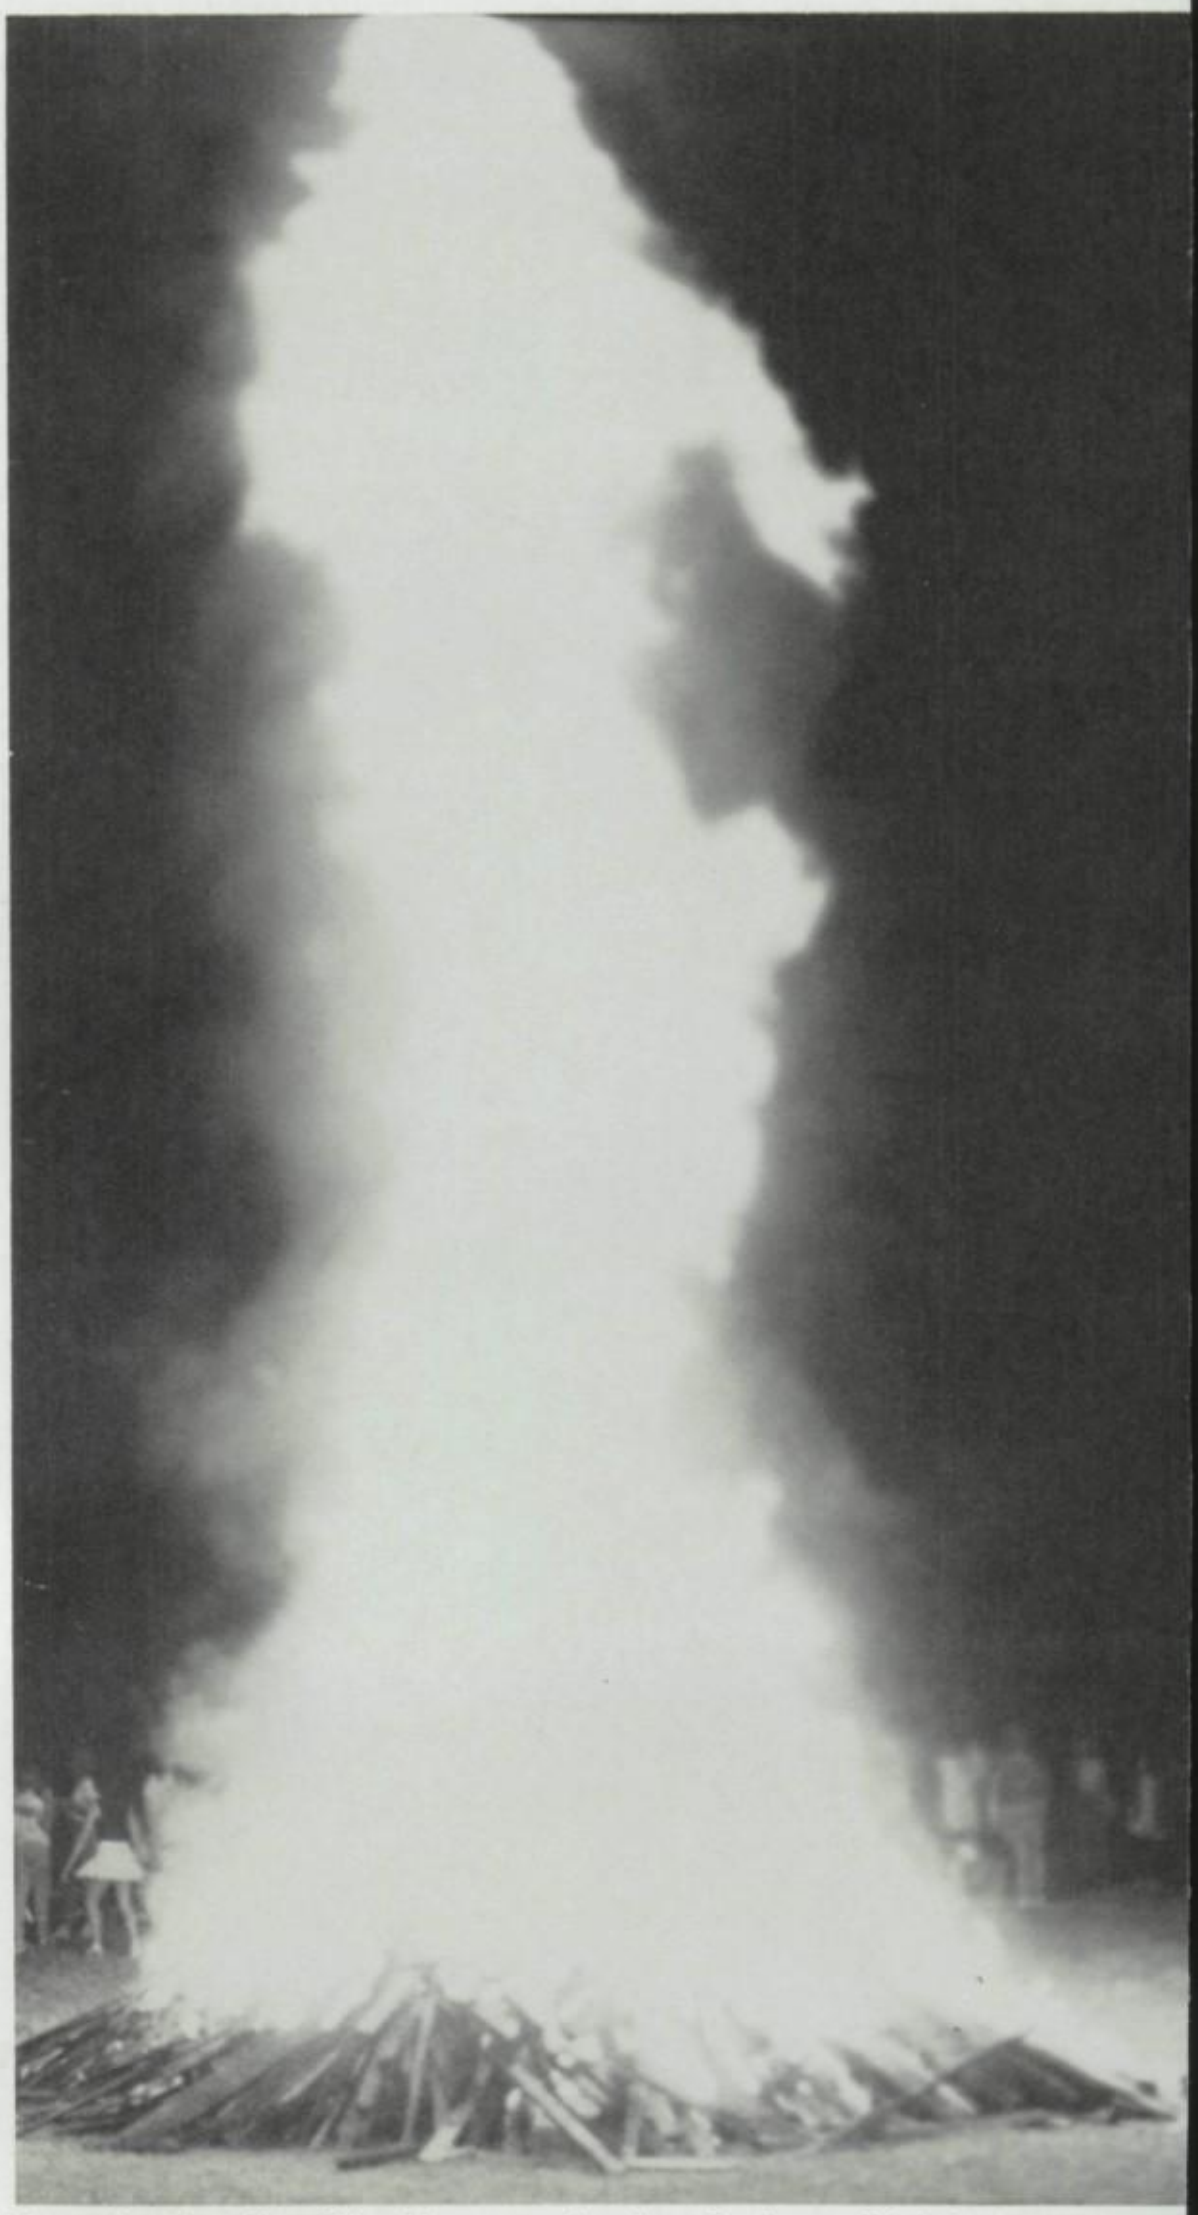
"A Touch of Class" was the theme for Homecoming '86 and class was what was exhibited throughout the celebrations.

The festivities were kicked off by a Thursday night bonfire out on the field. Bill Mosley, a Channel 3 sportscaster and THS alumnus, announced the class attendants as selected by the students.

The Homecoming pep rally was highlighted by the Senior Walk, a time when seniors who excell academically or in extra-curricular activities, can walk across the gym letting everyone know their accomplishments. A senior boy escorted a senior girl down a marked pathway while they heard their scholastic accomplishments read by Masters of Ceremonies Bill Mosley and Linda Turley, the latter from Channel 5.

The football game began with a US Army helicopter bringing in the game ball. The game was exciting even though it ended in a 21-21 tie with Brophy. At halftime, Seniors Jim Shinn and Jenny Schrack were named Homecoming king and queen.

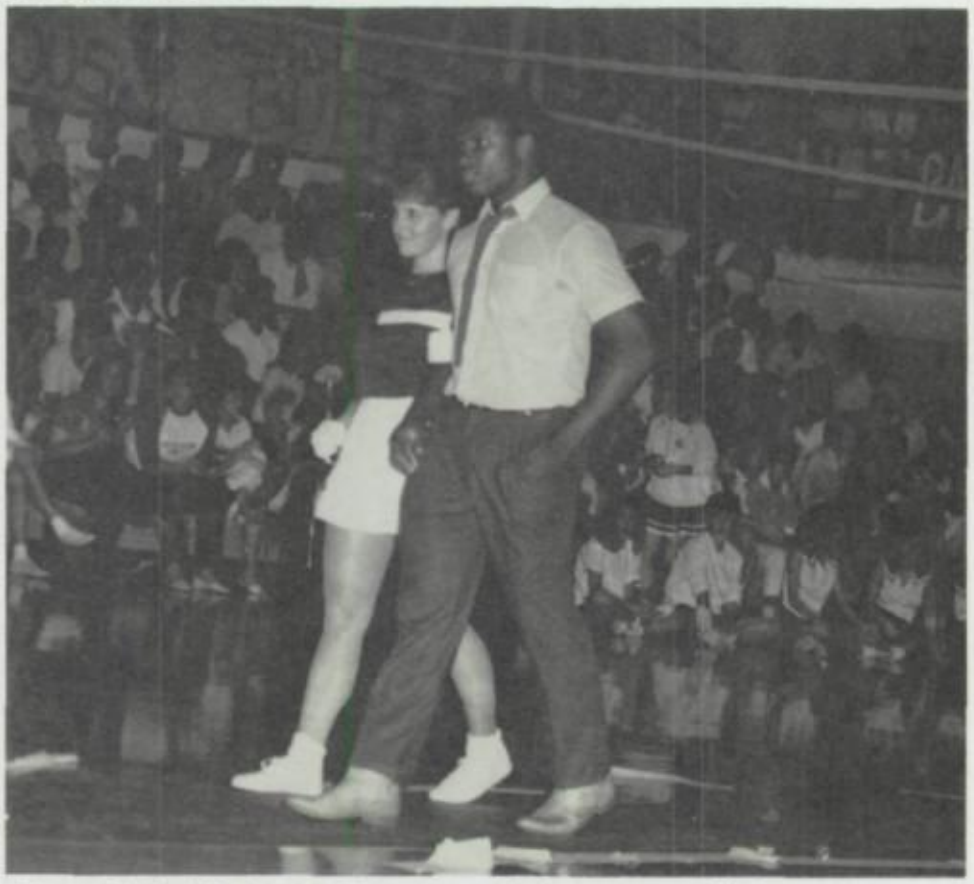
The festivities were capped with a beautifully decorated dance in the gym Staurday night. The outstanding decorations and the formally dressed students who attended the dance gave a fitting end to the Homecoming that indeed had "A Touch of Class."



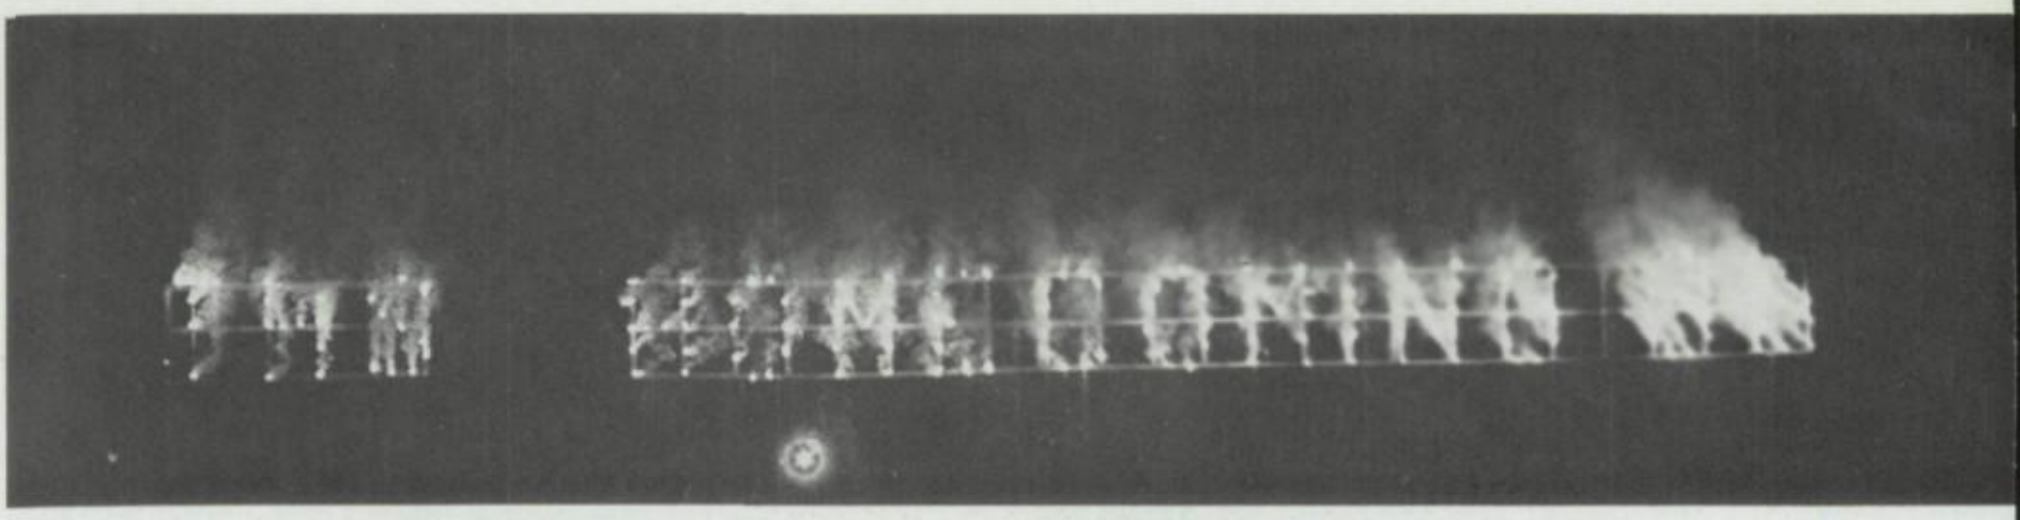
Now that's a fire! The Homecoming bonfire burns high before the gam against Brophy.

Hang Brophy! A mock Brophy student hangs in the gym at the Senior Walk assembly MC'd by **Bill Mosely** from Channel 3 and **Linda Turley** from Channel 5.

Catch me! With a big smile, Senior **Jenny Schrack** jumps into Senior **Ken Orman's** arms at Senior Walk.



You did all that? Hearing their accomplishments read during Senior Walk were **Dwight Johnson** and **Sara Collie.**



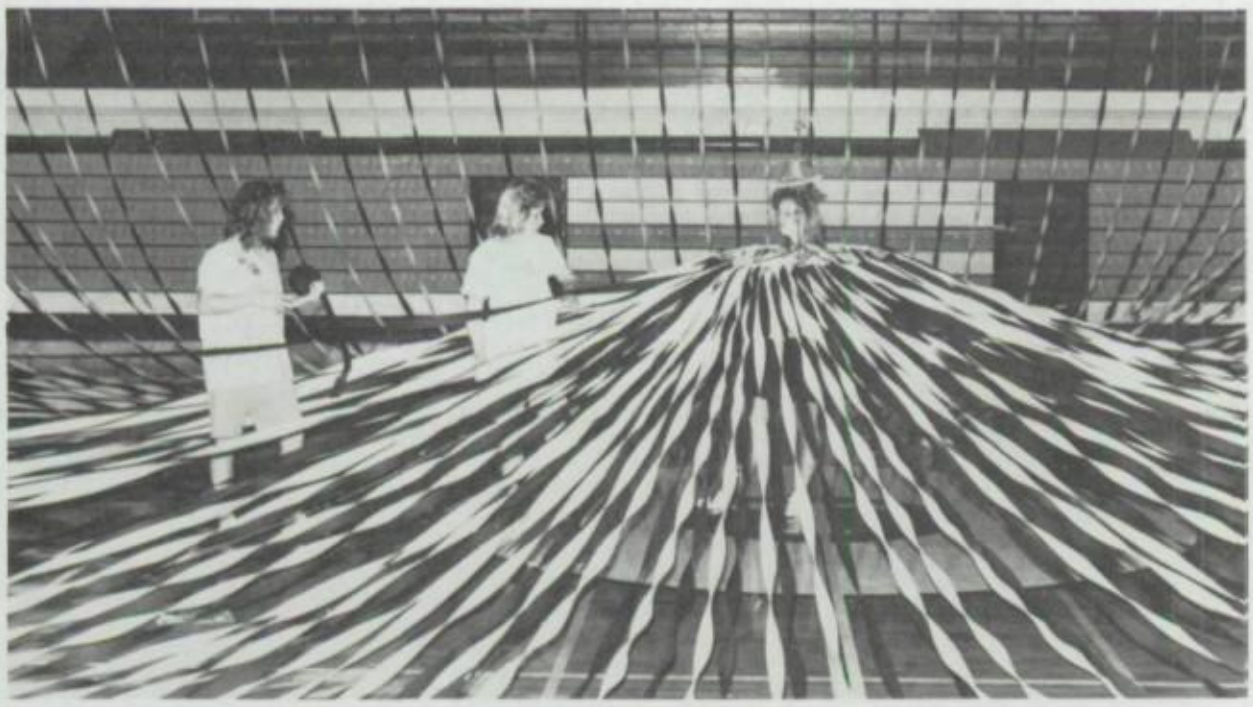
Give me a light! The festive fireworks display burns at the Homecoming game.

What a cute couple! Last year's Homecoming King and Queen, **Gary Tutrone** and **Aileen Balizado**, return to pass their crowns to this year's royalty.

Oh, flowers for me? Last year's queen **Aileen Balizado** passes her crown to **Jenny Schrack.**

Ready, kick! The Pom line in their Halloween costumes performs at the halftime ceremonies of the game.

Let's see, that's H-O-M-E....! A large Homecoming banner is constructed by Senior **Bill Carrasco** and Freshmen **Terry Rickard** and **Marisola Canchola.**



Oooh, Pretty! Hundreds of streamers are spread out across the gym by Junior **Lindy Evans,** Sophomore **Christine Tucker** and Junior **Stephanie Leonard.**

Ready, blow! Blowing up the balloons for the dance were Sophomore **Cheyana Wozencraft,** Freshman **Carolina Ramos** and Senior **Shad Griffin.**

Quit shaking the ladder! Hanging streamers was Sophomore **Andrea Cook.**

May I have this dance? A large group of students enjoyed the music and dancing at Homecoming '86.

Hey, get off my foot! Having a dance together were Seniors **Jenny Schrack** and **Jim Shinn.**

It's fun! A group of Homecoming attendants take a quick breather from dancing.

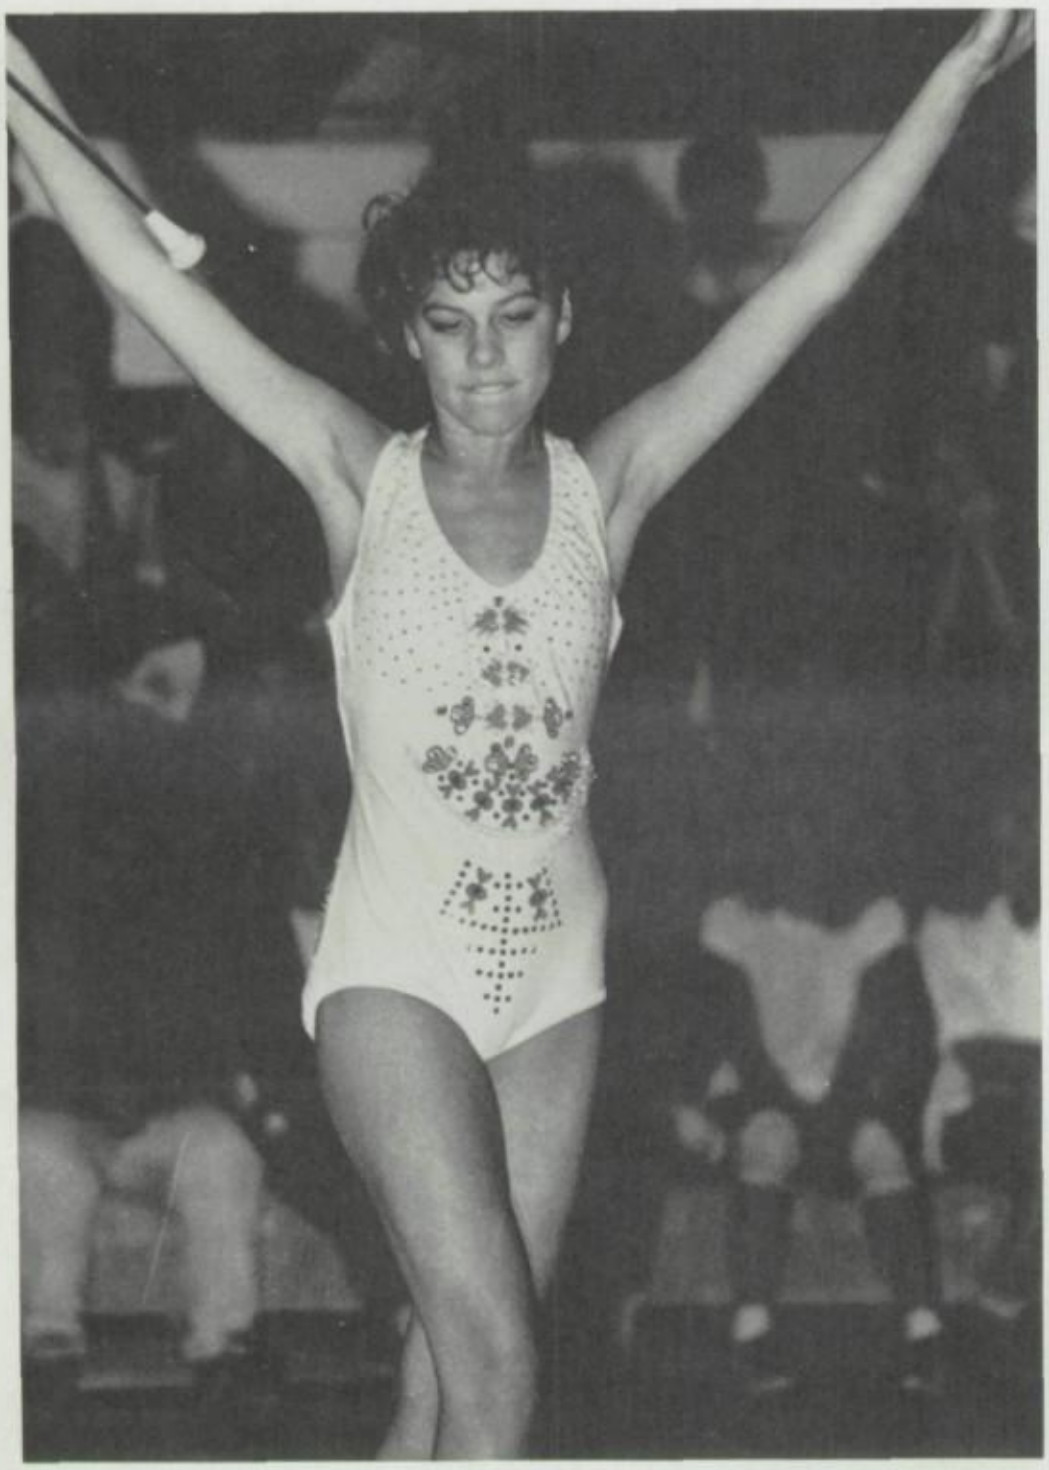
Pep Rallies provided new spirit to THS

Pep rallies are important events. They gather everyone together to promote school spirit. Each class tries to show it has "Buff Pride." After a few rallies, the freshmen class finally catches on that they are in "Buffalo Country."

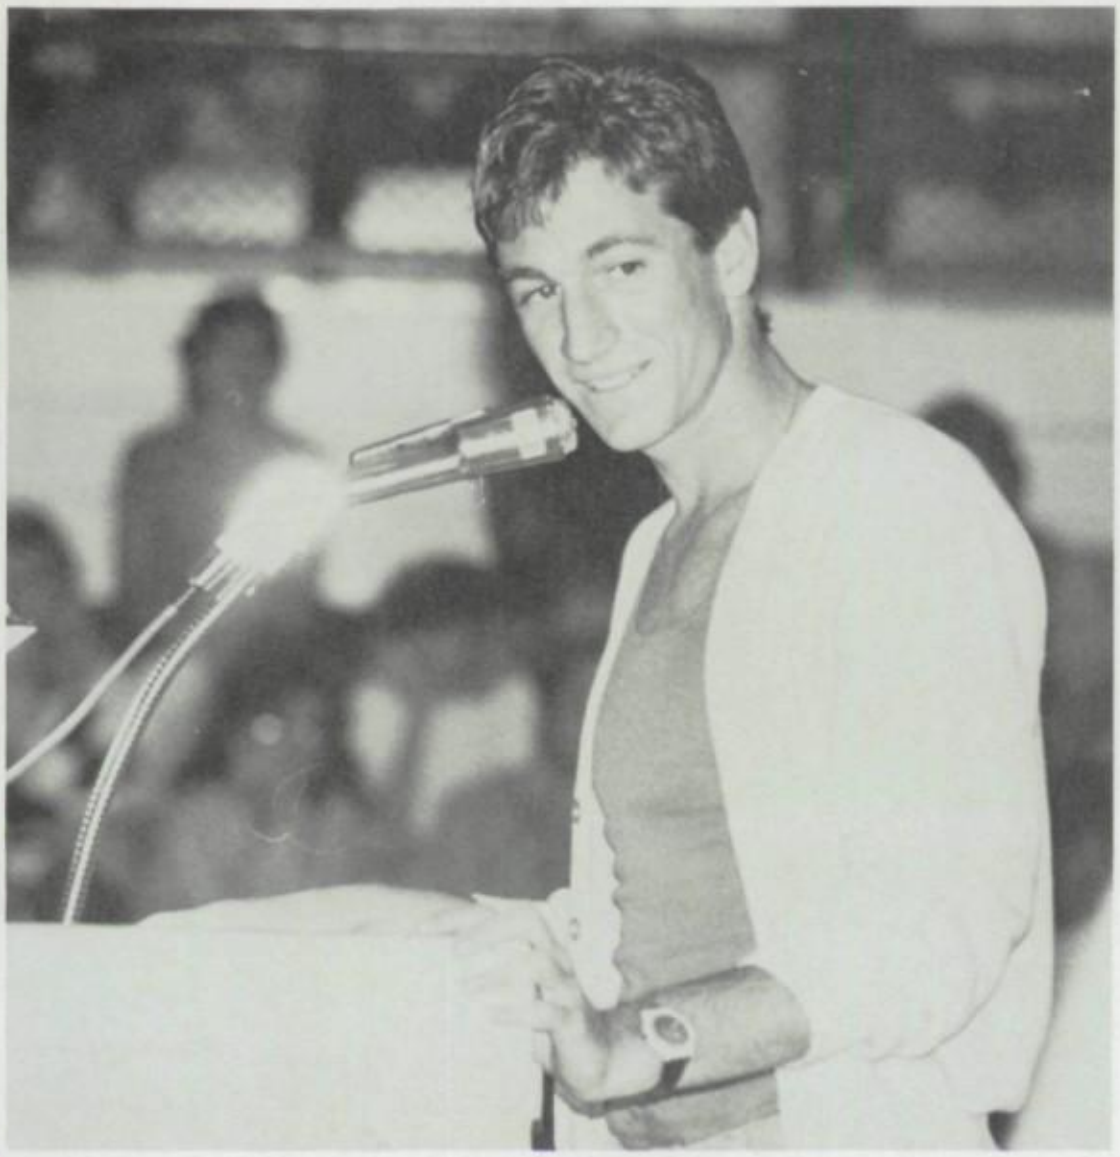
The pep rallies are organized and run by the Student Council but the most obvious hard workers at each rally are the cheer lines, the pommies and the band. Cooperation by all results in a rowdy and exciting pep rally full of students united and proud of Tempe High.



Ta Da! Finishing a great routine at one of the Pep Rallies was Senior **Dori Bowers.**

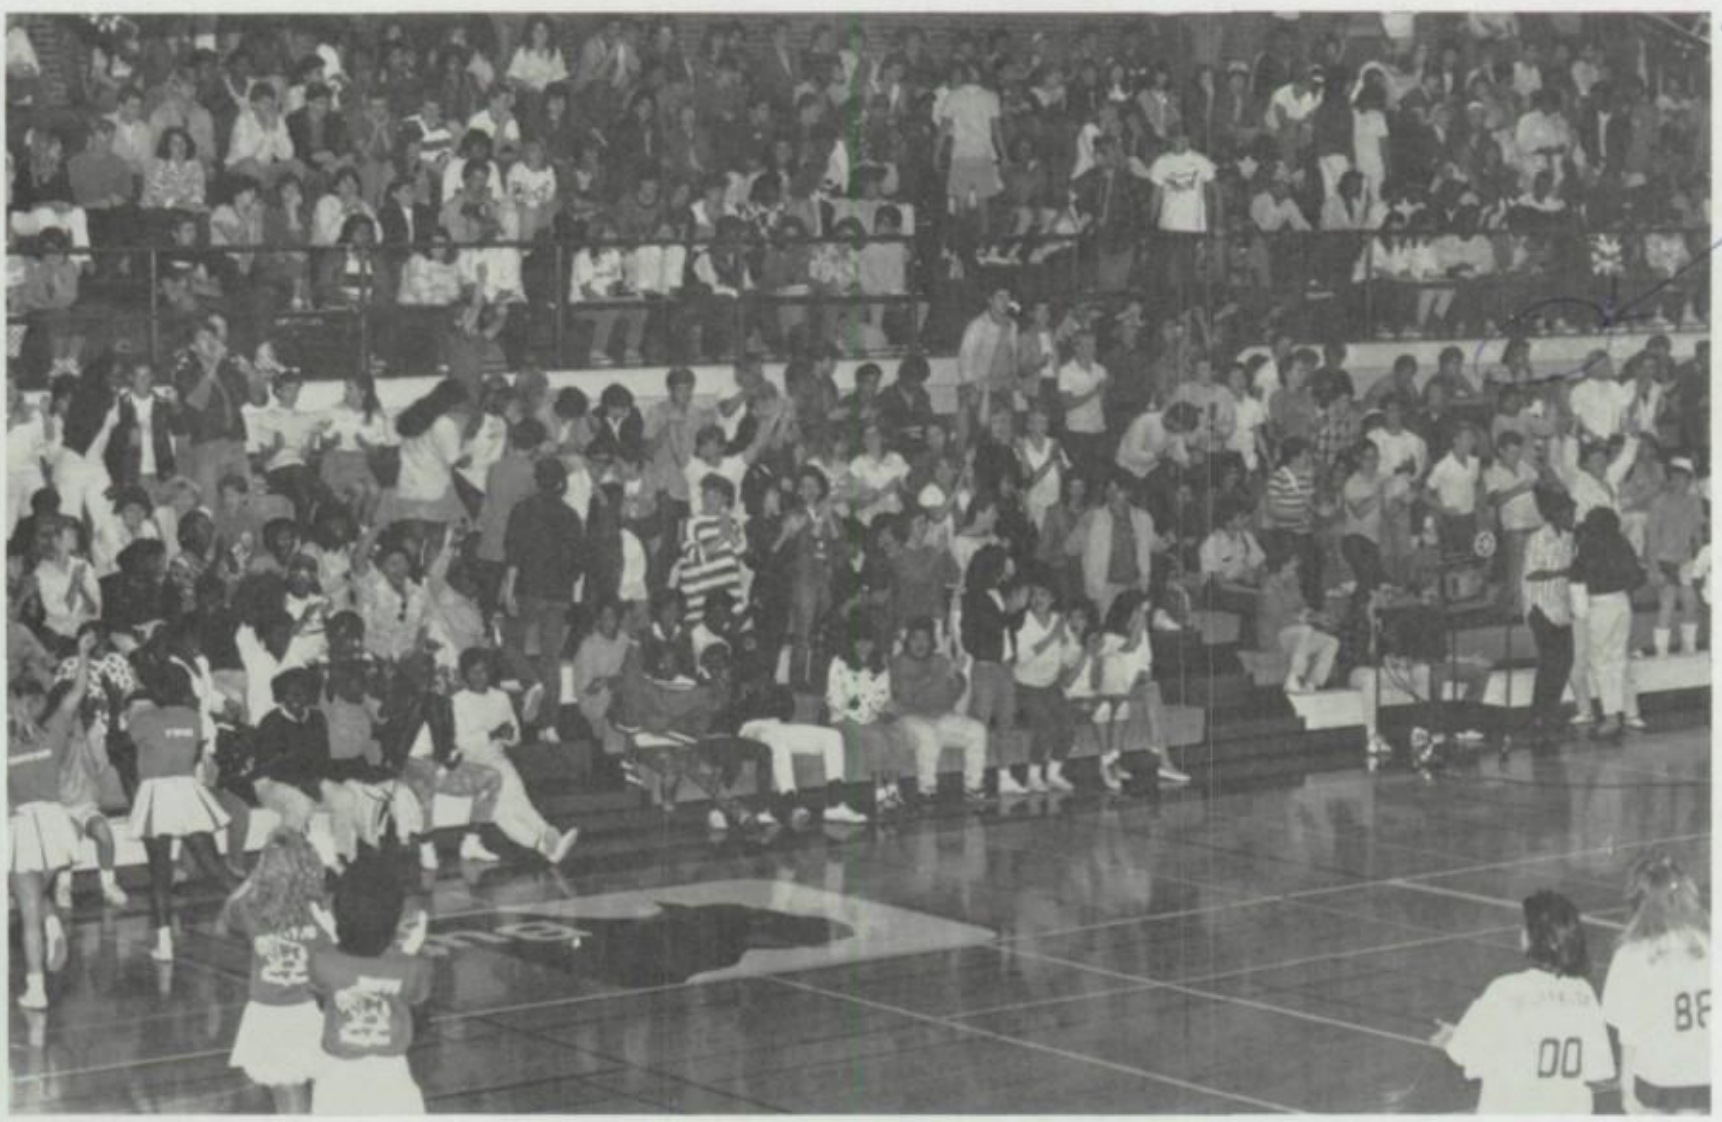
Where's the beef? After tasting a *Big Mac* at the Mac Day pep rally, Senior **Paul Frederick** looks discouraged.

ROWDIE! The Junior class shows loud, raucous spirit.



We're good! Senior **Flint Craig** smiles broadly as he introduces the Boys Cross Country team during a pep rally.

Yeah! Demonstrating full enthusiasm at the Mac pep rally was sophomore **Shane McGinnis.**



True Blue! The sophomore and junior sections were always showing the "Buff Pride" known at THS.

Dances were Number 1 on Friday night

Dances occupied the Friday nights of a good number of Tempe High students. And most of those dances were held in the school gymnasium. In the fall, it was after the football games. In the winter, they followed basketball games and wrestling matches. But during the spring, they were the only thing going at night.

Students lined up outside the gym early on dance nights, ID cards in hand. No one could get in without that precious ID!

Each dance was sponsored by a different club or activity and most had specific themes for which the gym had been decorated. It was amazing what a bit of paper, streamers and an imagination could do to that gymnasium.

Aloha! Juniors **Eva Shivers** and **Jaunette McCormick** show Freshman **Richard Stevens** and Sophomore **Mike Venell** how to hula.

Go Hawaiian! All dressed up for the Hawaiian dance were Seniors **Sherene Burns** and **Tracey Coleman.**

Get down! *Rock Lobster* by the *B 52's* was a popular number at the dances.

Jam on it! Students really enjoy the THS dances.

Let's dance! It looks like everyone at Tempe High enjoys dancing.

How cute! Sharing a slow dance together are Senior **Daphne Pallas** and Junior **John Obrenovich.**

Gym transformed for Coronation Ball

Sadly, it's all over. The pink and burgandy streamers have been swept up and thrown away. However, the memory of Coronation, the annual girl-ask-guy semi-formal ball, lingers on.

A pink and burgandy streamer canopy hung from the gym ceiling, completely transforming its appearance. Balloons lay on the floor and candles lit the tables. A small silver fountain held the punch.

Couples danced not only to the theme song, *My Love for You* by *Glenn Maderos*, but to many other popular numbers. "About 100 to 150 people came," said Freshman Julie Brada. "It was a very nice crowd."

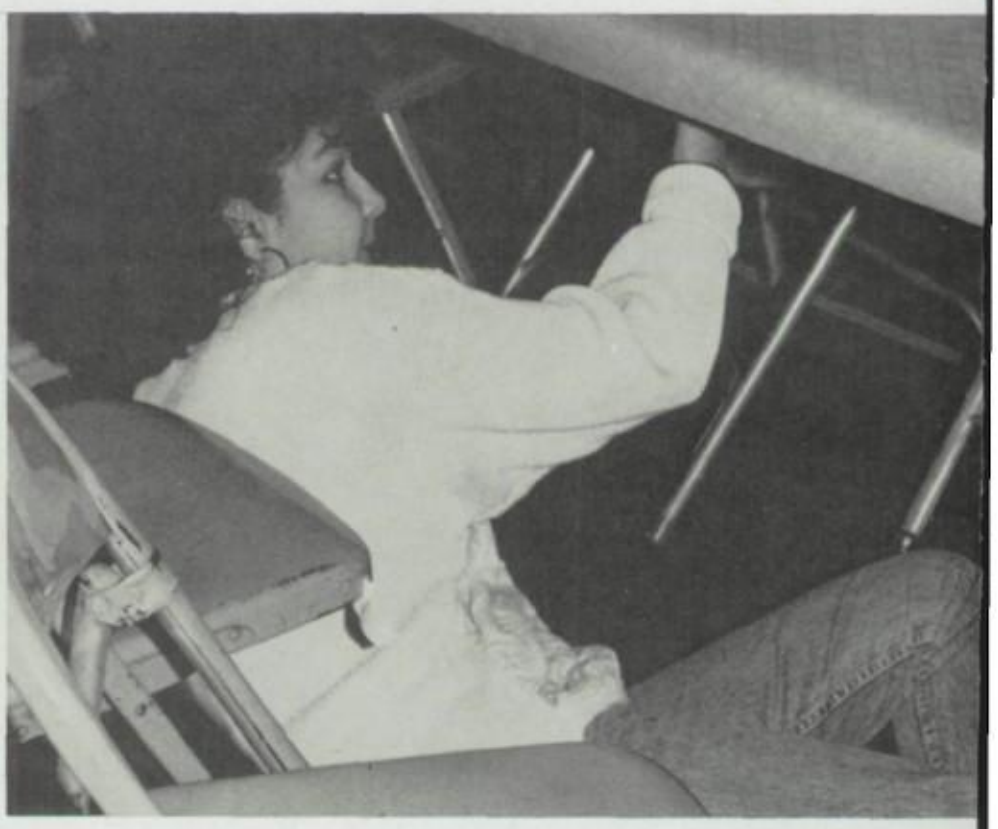
The atmosphere was particularly pleasing to most students. "There were a lot of little extras that they usually don't have at most of the dances which made it very nice," said Junior Missy Pierce.

As couples entered, they were treated to large pictures of the royalty nominees and given ballots to vote for their choice. Richard Kerr and Christy Pitman were chosen as king and queen.

The dance was sponsored by the sophomore class who made a profit of $600 with which they were "very satisfied" according to class president Sophomore Valerie Navarrette.

Let's dance! Taking the Royalty Dance are King and Queen Seniors **Richard Kerr** and **Christy Pitman** and Attendents Seniors **Jay Lister** and **Cindy Peterson**, and **Steven Thomas** and **Melissa Goff**.

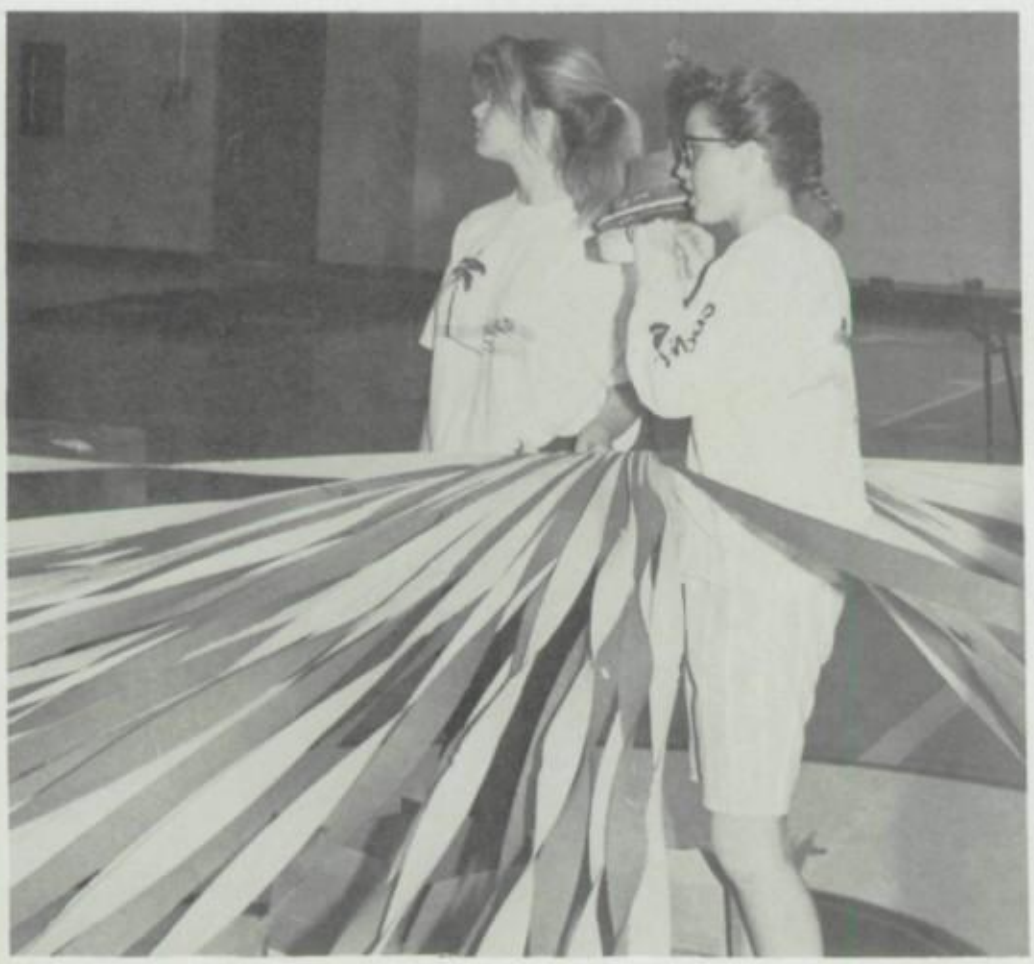
Look at all the money! Waiting for couples to line up for pictures are Juniors **Nicole Saliba, Dyanne Jackson, Annie Montanez** and **Missy Pierce.**



I couldn't take this standing up! Decorating the gym in preparation for the big dance is Freshman **Merisol Canchola.**

How special! Couples show their love for each other dancing to the Coronation Ball's theme song, *My Love for You.*

Get with it! Decorating for the dance using the colorful streamers were Freshman **Terri Rickard**, Sophomore **Cheyana Wozencraft**, and Senior **Kolbie Openshaw**.



Lift it up! Getting ready to raise the streamers to the ceiling are Sophomore **Chayana Wozencraft** and Senior **Suzette Cowley.**

A little closer! Getting posed for their formal picture are Junior **Brian Shaw** and his date Senior **Tammy Fields.** Explaining how they should stand is Senior **Lisa Pence.**

Dancers enthrall with imaginative dancing, lighting

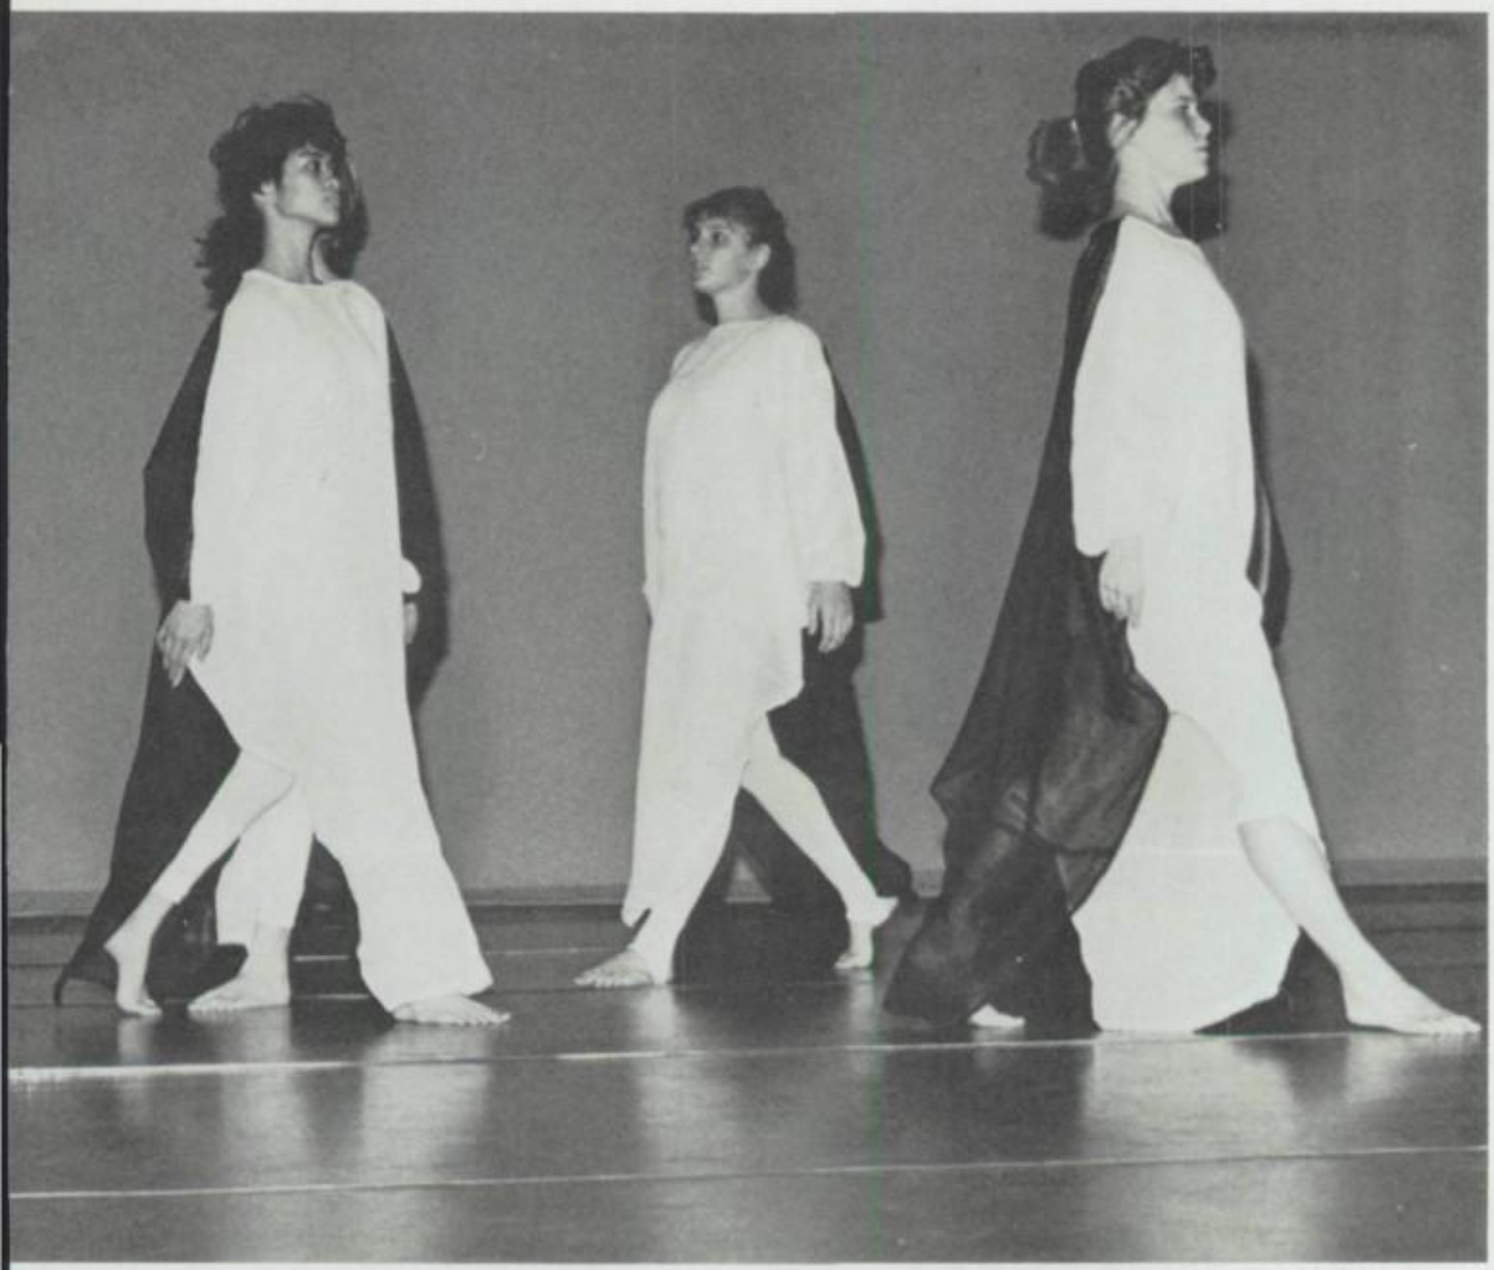
It was a night to sit back and let the imagination flow as the girls in the school's modern dance troupe, Dionysus, performed their concert *The Inner Rythyms of Dance.*

From the opening number which recounted the mental stresses and strains in our society through dances attempting to give insight into the problems of peace, memories, thugs on the streets, primeval drives, social rebels, parenting, fear, and the lack of social consciousness, the girls had the attentive audience in their hands.

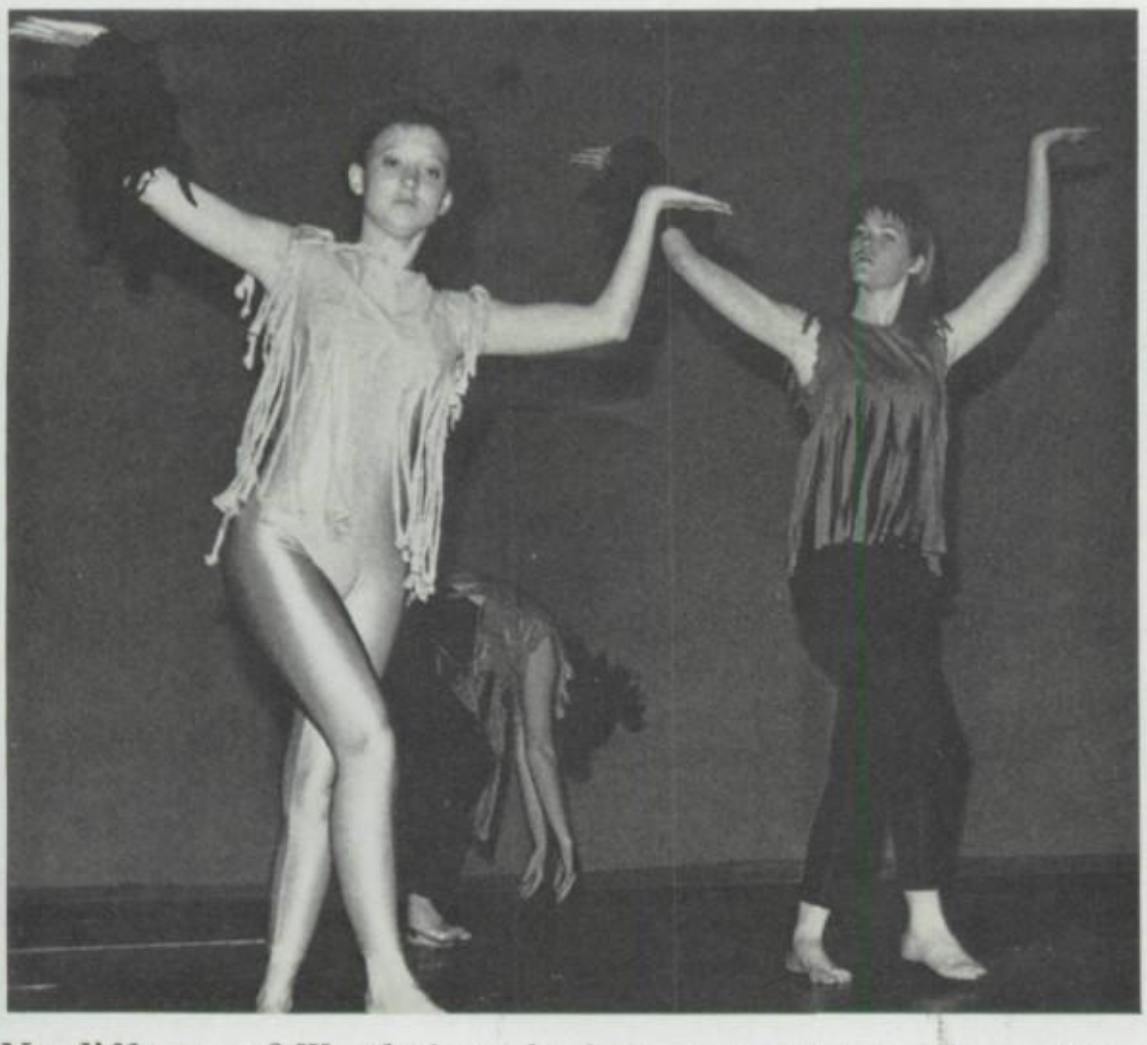
Imaginative lighting, costumes, music and dancing coupled with an obvious professionalism were the keys to a well received concert.

Twirl! In a fast spin was Senior **Holly Krecklow.**

Anguish! Kneeling in mental tor ment was Junior **Bobbye Fraser.**



Jenn Morehart, Junior **Anna Stevens,** and Senior **Holly Krecklow.** The dance examined the driving forces found in the rituals of primeval ceremonies.



No difference? Wondering what's wrong with being dressed the same were Junior **Bobbye Fraser** and Senior **Blakely Miller.**

Memories! Dancing to *The Attic,* which she choreographed, was Senior **Kris Mun.**

Fall play,'The Odd Couple,' quite a show

The fall play was "The Odd Couple" by Neil Simon, performed October 23,24 and 25. The lead roles of Felix Ungar and Oscar Madison were played by Junior Russ Barnes and Senior Ken Orman. The "Poker Buddies" were Juniors David Barba as "Vinnie", Dan Clark as "Murray", Jason True as "Roy", and Sophomore Buddy Early as "Speed". The Pigeon sisters were two Britsh ladies who lived upstairs. "Gwendolyn", the oldest, was played by Junior Mika Webb, and "Cecily" was played by Junior Arusha Baker. Anticipating the final result, Russ commented, "The cast is wonderful, so expect a great show!" He was right. The actors were enthusiastic about being in this production, as expressed by Arusha when she said,"Jolly good show!" Buddy simply said,"I've seen this on T.V."

Trying to console an ailing "Felix" played by Junior **Russ Barnes,** were Senior **Ken Orman,** Juniors **Jason True** and **David Barba,** Sophomore **Buddy Early,** and Junior **Dan Clark.**

"Oscar" and the "Poker Buddies" listen sympathetically at the door to "Felix's" anguished cries.

"Don't call Francis!" screams **Russ,** frantically clutching **Ken's** shirt as he refers to his character's wife.

Cool cast created black family comedy

I don' know! Trying not to reveal her best friend's secret, Senior **Sharonda Bess** is protected by Freshman **Decazlyn Strange** as Senior **Mikele Powell** and Sophomore **Jacob Alsbrook** try to get all the details.

Now what? Senior **Mikele Powell,** Sophomore **Jacob Alsbrook** and Freshman **Decazlyn Strange** ponder their lives which have been drastically changed because of a large amount of money.

The second of the school's drama offerings was *Livin' Fat* with an all-black cast. Written by Judi Ann Mason, it was the story of the black Cooper family. The father, Calvin or Daddy, was played by Sophomore Jacob Alsbrook. He worked two jobs to try to support his family. Senior Mikele Powell played Mama who was a revivalist and also worked as a cleaning lady. The grandmother, Big Mama, was played by Freshman Decazlyn Strange. Two daughters, Candy and Davina Lee, were played by Sophomore Dana Washington and Freshman Chenita Dix. Davina's friend, Boo, played by Senior Sharonda Bess, rounded out the six character cast.

Money, honey! Freshman **Chenita Dix** tells her boyfriend she's sending him some "extra money" to help pay for an engagement ring.

MORP was back after 3 year absence

Brought back after a three year absence, MORP, which is PROM spelled backwards, was just that, the opposite of the formal spring Prom.

In the first place, the girls asked the guys. Next, rather than dinner at one of the Valley's finer restuarants, most guys were lucky to get a burger and fries from such outstanding nightspots as *McDonalds, Burger King, Wendy's, Taco Bell* or *Peter Piper Pizza.*

The decorations in the gym were minimal and meant to provide a relaxed, informal atmosphere. The dance was sponsored by Dionysus.

We brought ours! Contributing to the Salvation Army's canned food drive for the holiday season were Seniors **Richard Kerr** and **Christy Pittman.**

How cute! Dressing in traditional MORP style were Sophmore **Valerie Parades** and **Tom Barnes** from McClintock.

Socks, too! "Did you remember to bring our matching socks?" Sophmore **Rina Nunez** asked Senior **Rick Flores.**

I'm just a prisioner of MORP! sings Junior Vikki Kennedy from inside the ticket booth at the dance.

Santa visits THS!

The Mistle Toe Dance is a semi-formal dance that is held every year on the last Friday night before Christmas vacation. Students gather to see each other one more time before break, and to get their last minute wishes into Santa Claus. There is always plenty of mistle toe hung around the gym and lots of green and red Christmas decorations.

The Dance has a Mistle Toe Queen, but not a King. The nominees for the queen are selected through interviews, not by a student body vote. This year's queen was senior Debbie Stakebake.

Boogie!! Freshman **Mary Hisle** and junior **Heather Collins** 'boogie' with Santa Claus at the anual Mistle Toe Dance.

This is great! Freshmen **Kina Kessel** and **Scott Lanquist** take a break from dancing and sit on santa's lap.

Ho-Ho-Ho! The 1986 Mistle Toe Queen, senior **Debbie Stakebake,** tells Santa what she wants for Christmas.

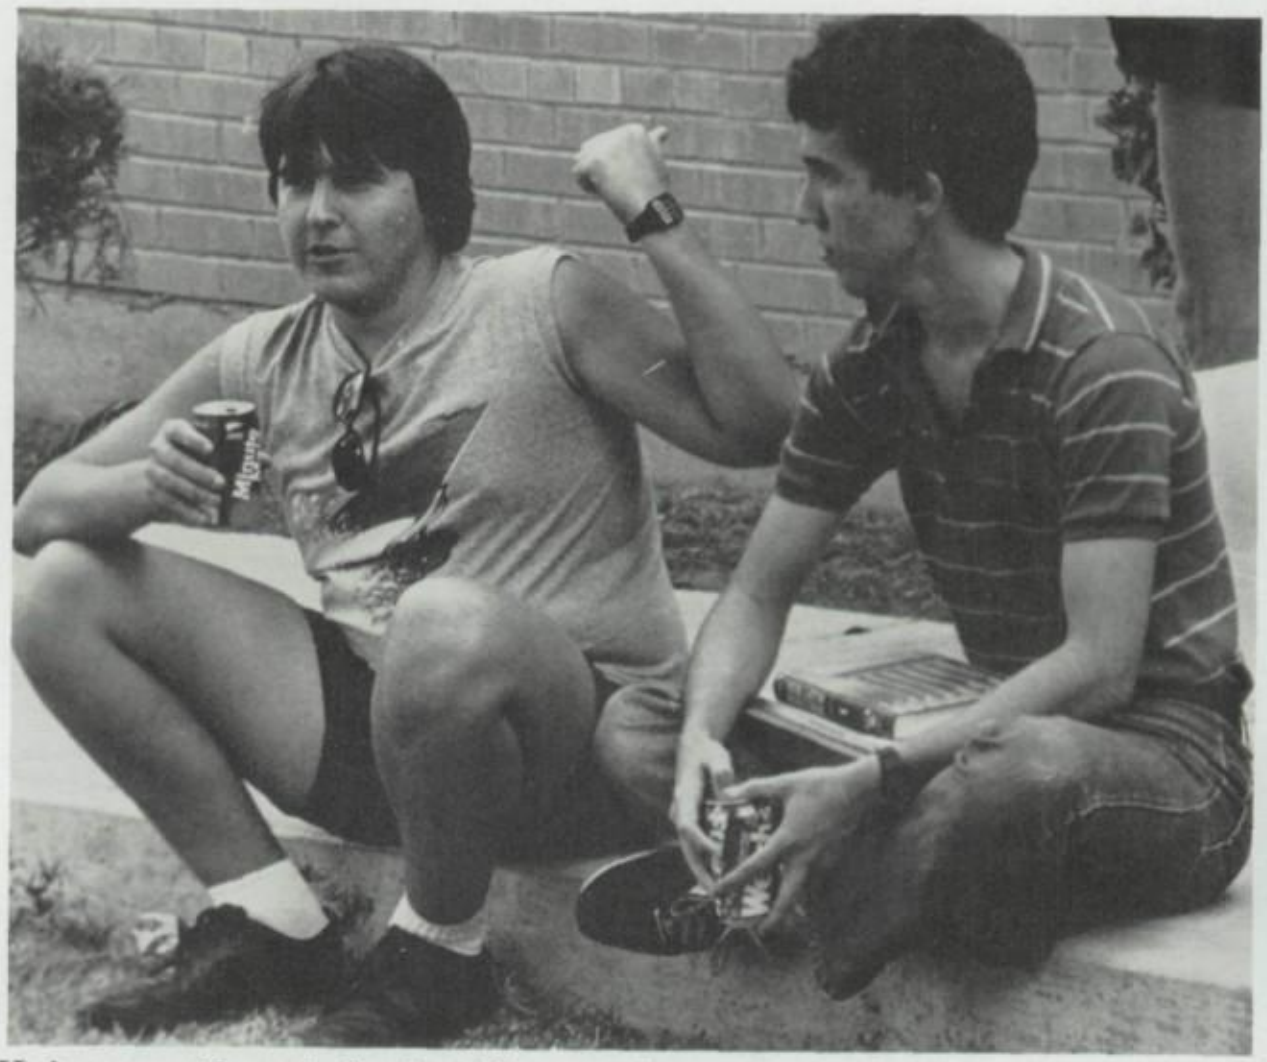
OFF!

What to do at lunch? "Let's go try to find....."

How to spend that precious 30 minute break at lunchtime? It was a daily question without too many different answers. Most students got into a habit and spent most of their noon breaks at the same place doing the same thing.

Most underclassmen headed for the cafeteria or the snack bar. Those that brought the goodies from home bought something to drink and settled in a favorite spot. It was a time to eat and to socialize.

Those upperclassmen who had wheels, or had access to wheels, generally left campus for a nearby fast food outlet. It wasn't that the food was that good or that cheap. It was just the idea of getting off campus for a few minutes. It was a sign of being an upperclassman.



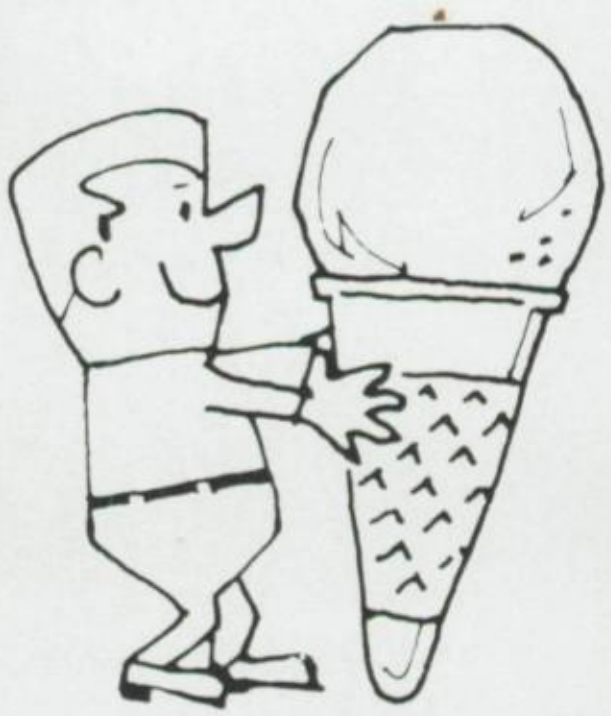
He's over there! Junior **Danny Stevens** explains to Junior **Brian Seadly.**

Are you serious? Freshmen **Richard Stevens** and **Rachael Gundy** try to talk business but they can't keep a straight face.

Having a blast. Freshman **Carrie Ramirez** and **Jean Yates** giggle as they eat their lunch.

Who, me? Senior **Linda Murillo** looks around confused.

Hurry, please! Junior lunch aide **Elena Oradot** helps Sophomores **Valerie** and **Rhoda Lee** to a nice, ice cold *Pepsi.*



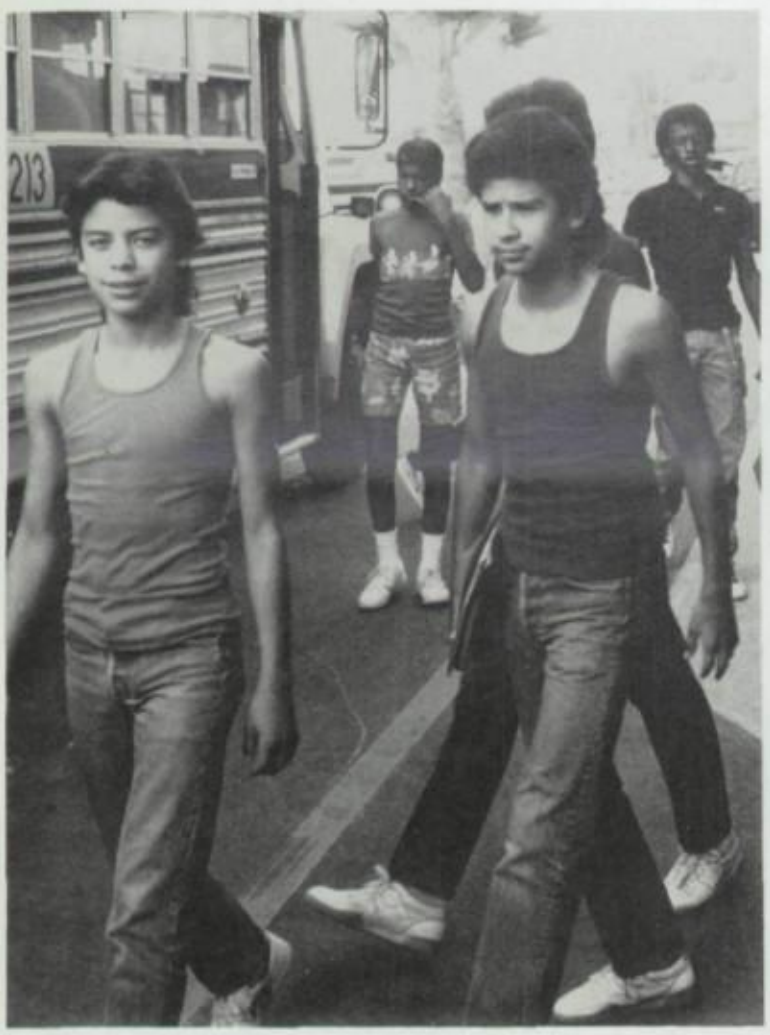
Getting to school was fun, painful, a problem

"How am I getting to school?" The question seemed to be asked every morning in a student's house. The answers varied widely. Some walked, some pedaled and some bummed rides from friends. And there were a few who used more exotic modes of transportation.

But the old reliable for those living within three miles of school was Mom and the family car. Especially when it rained. For those outside the three mile limit, it was the bus.

The old reliable yellow monster was always there. It was used normally by underclassmen and hated by upperclassmen. After all, a senior was supposed to at least have *access* to wheels.

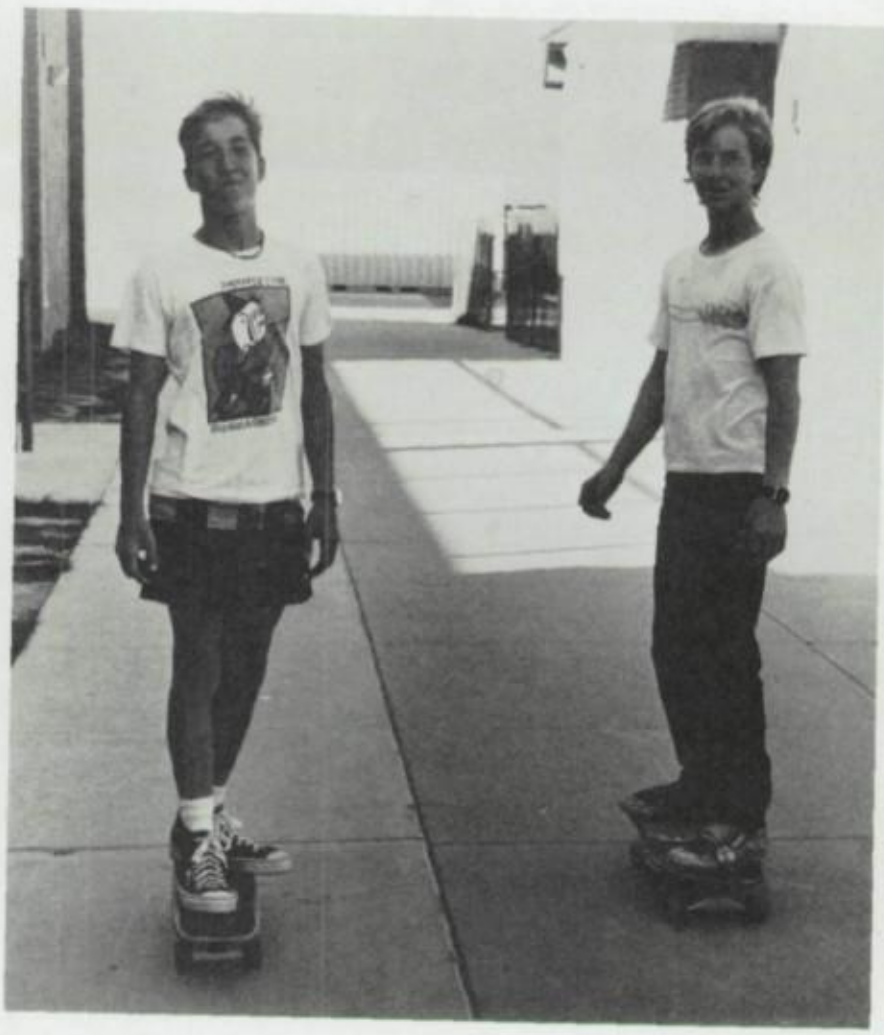
Classy! One of the popular ways of getting to school was by scooters as the three lucky owners of these models did.



We made it! Freshman **Tim** and **Richard Quintana** relied on the good old bus to get them to school.

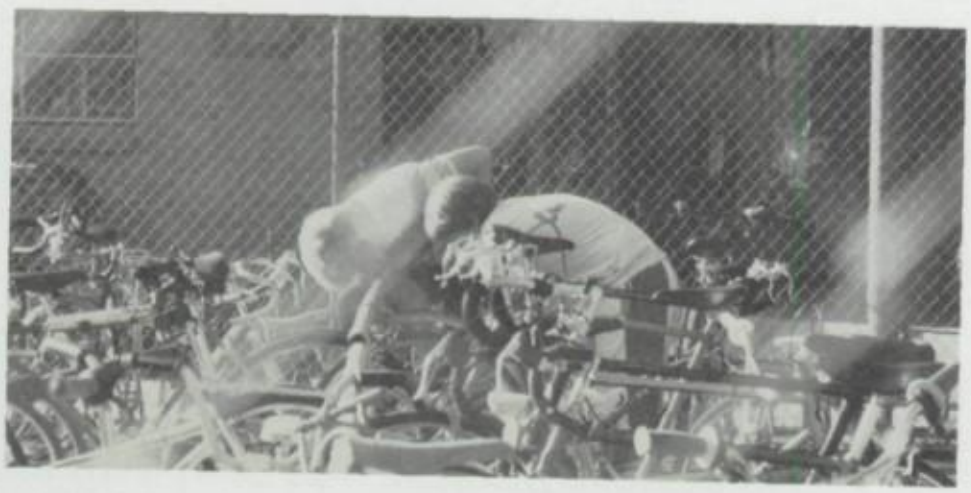
Not in front of school! Freshman **Jason Mahoney** got to school the easy way--by getting a ride.

Move it! The only problem with driving a car to school was the massive traffic jam in the parking lot when school let out.

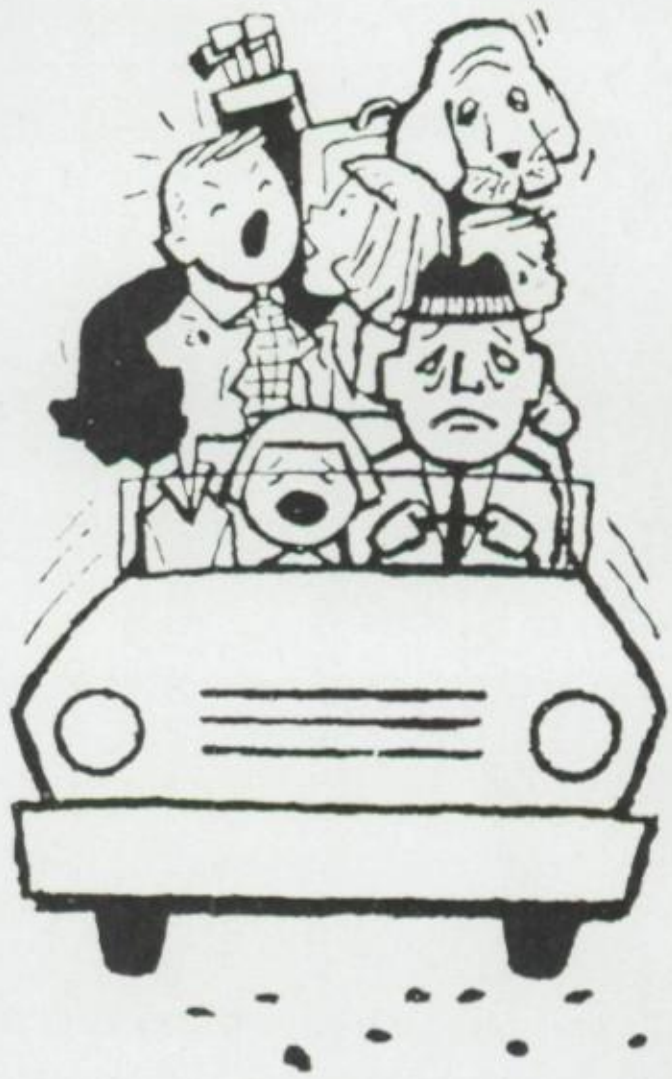


Zoom! A fun way of getting to school was on a skate board like Freshmen **Mikey Kumelski** and **Chuckie Johnson.**

Slow and steady. A rather popular way for those who lived close to school was a leisurely walk as these students are doing.



Hurry, let's go! Freshmen **Cy Milligan** and **John Hodges** try to unlock their bikes from the front rack.



Quad was place to meet friends

The Quad was THE place to meet on campus. It was where you could find nearly everybody at sometime during the day.

The brown baggers and snack bar users were sprawled throughout the area during both lunches most of the year. The only problem came when they irrigated.

Conversation was the primary commodity of the Quad. Socializing, talking with friends, making new friends, relaxing, feeling free from the classroom for just a few minutes.... that was what the Quad was all about.

Party time! Seniors **John Trejo, Craig Hughes** and **Sonny Wardel** talk about a party Saturday night while Senior **Erich Schulyer** looks on.

Thank goodness! Sophomore **Shane McGinnis** is happy to hear the bell ring for lunch.

Watch out! Freshman hunks **Mike Huddleston, Johnny Nunez,** and **Ty Armstead** express their thoughts about freshman life.

Check it out! Sophmores **Billy Comstock, David Barnett, Sonia Schultz,** and **Karen Clark** sit talking about the way they're going to wear their hair tomorrow.

Come and join! A good hackey sack game is played by Seniors **Jay Hamm, Chris Nelson, Kenny Richardson, Larry Leach, David Aden, Kevin Sotomayer,** and **Ray Gamboa.**

Mmm good! Sophomores **Valerie Frescholtz, Rick Creimer, Andy Lathrop,** and **Anders Arnnestad,** having a friendly discussion over lunch.

Girl talk!Sophomores **Karen Conners, Monica Crieg** and **Casandra Bass** talk about the boys in their life while walking to lunch.

Politics, terrorism dominate year's news

Politics at home and wars, international crises and terrorism overseas were the daily news staples for THS students during the year.

Probably the biggest story with the most lasting impact was the Iranian arms scandal which involved President Ronald Reagan and his National Security Council. It was named the Watergate of the 80's. A special counsel was appointed to investigate independently while special House and Senate committees investigated the apparently illegal sale of arms to Iran and the funneling of the profits to the Nicarauga Contras.

A summit or pre-summit in October between the US and the USSR was held at Reykjavik, Iceland. The results were an icy standoff as President Reagan refused to give up on the Strategic Defense Initiative as demanded by Soviet leader Mikhail Gorbachev.

In the US, a realization of the wide spread use of drugs struck home as two oustanding athletes, Len Bias and Don Rogers, died from overdoses. The government's response was varied. President Reagan sent Army helicopters to Bolivia to help stamp out cocaine factories and some congressmen called for full use of the Army and Navy to fight the drug traffic. Efforts were made to tighten border security.

In Arizona, the top story was political as maverick conservative Republican Evan Mecham defeated the establishment candidate in the primaries, and went on to defeat the favored Democrat in a three way race for governor. At the same time, retiring senator Barry Goldwater's seat was won by Tempe's Representative John McCain.

Rockets glare... A restored Statue of Liberty celebrates her 100th birthday.

Peace! Philippines President Corazon Aquino.

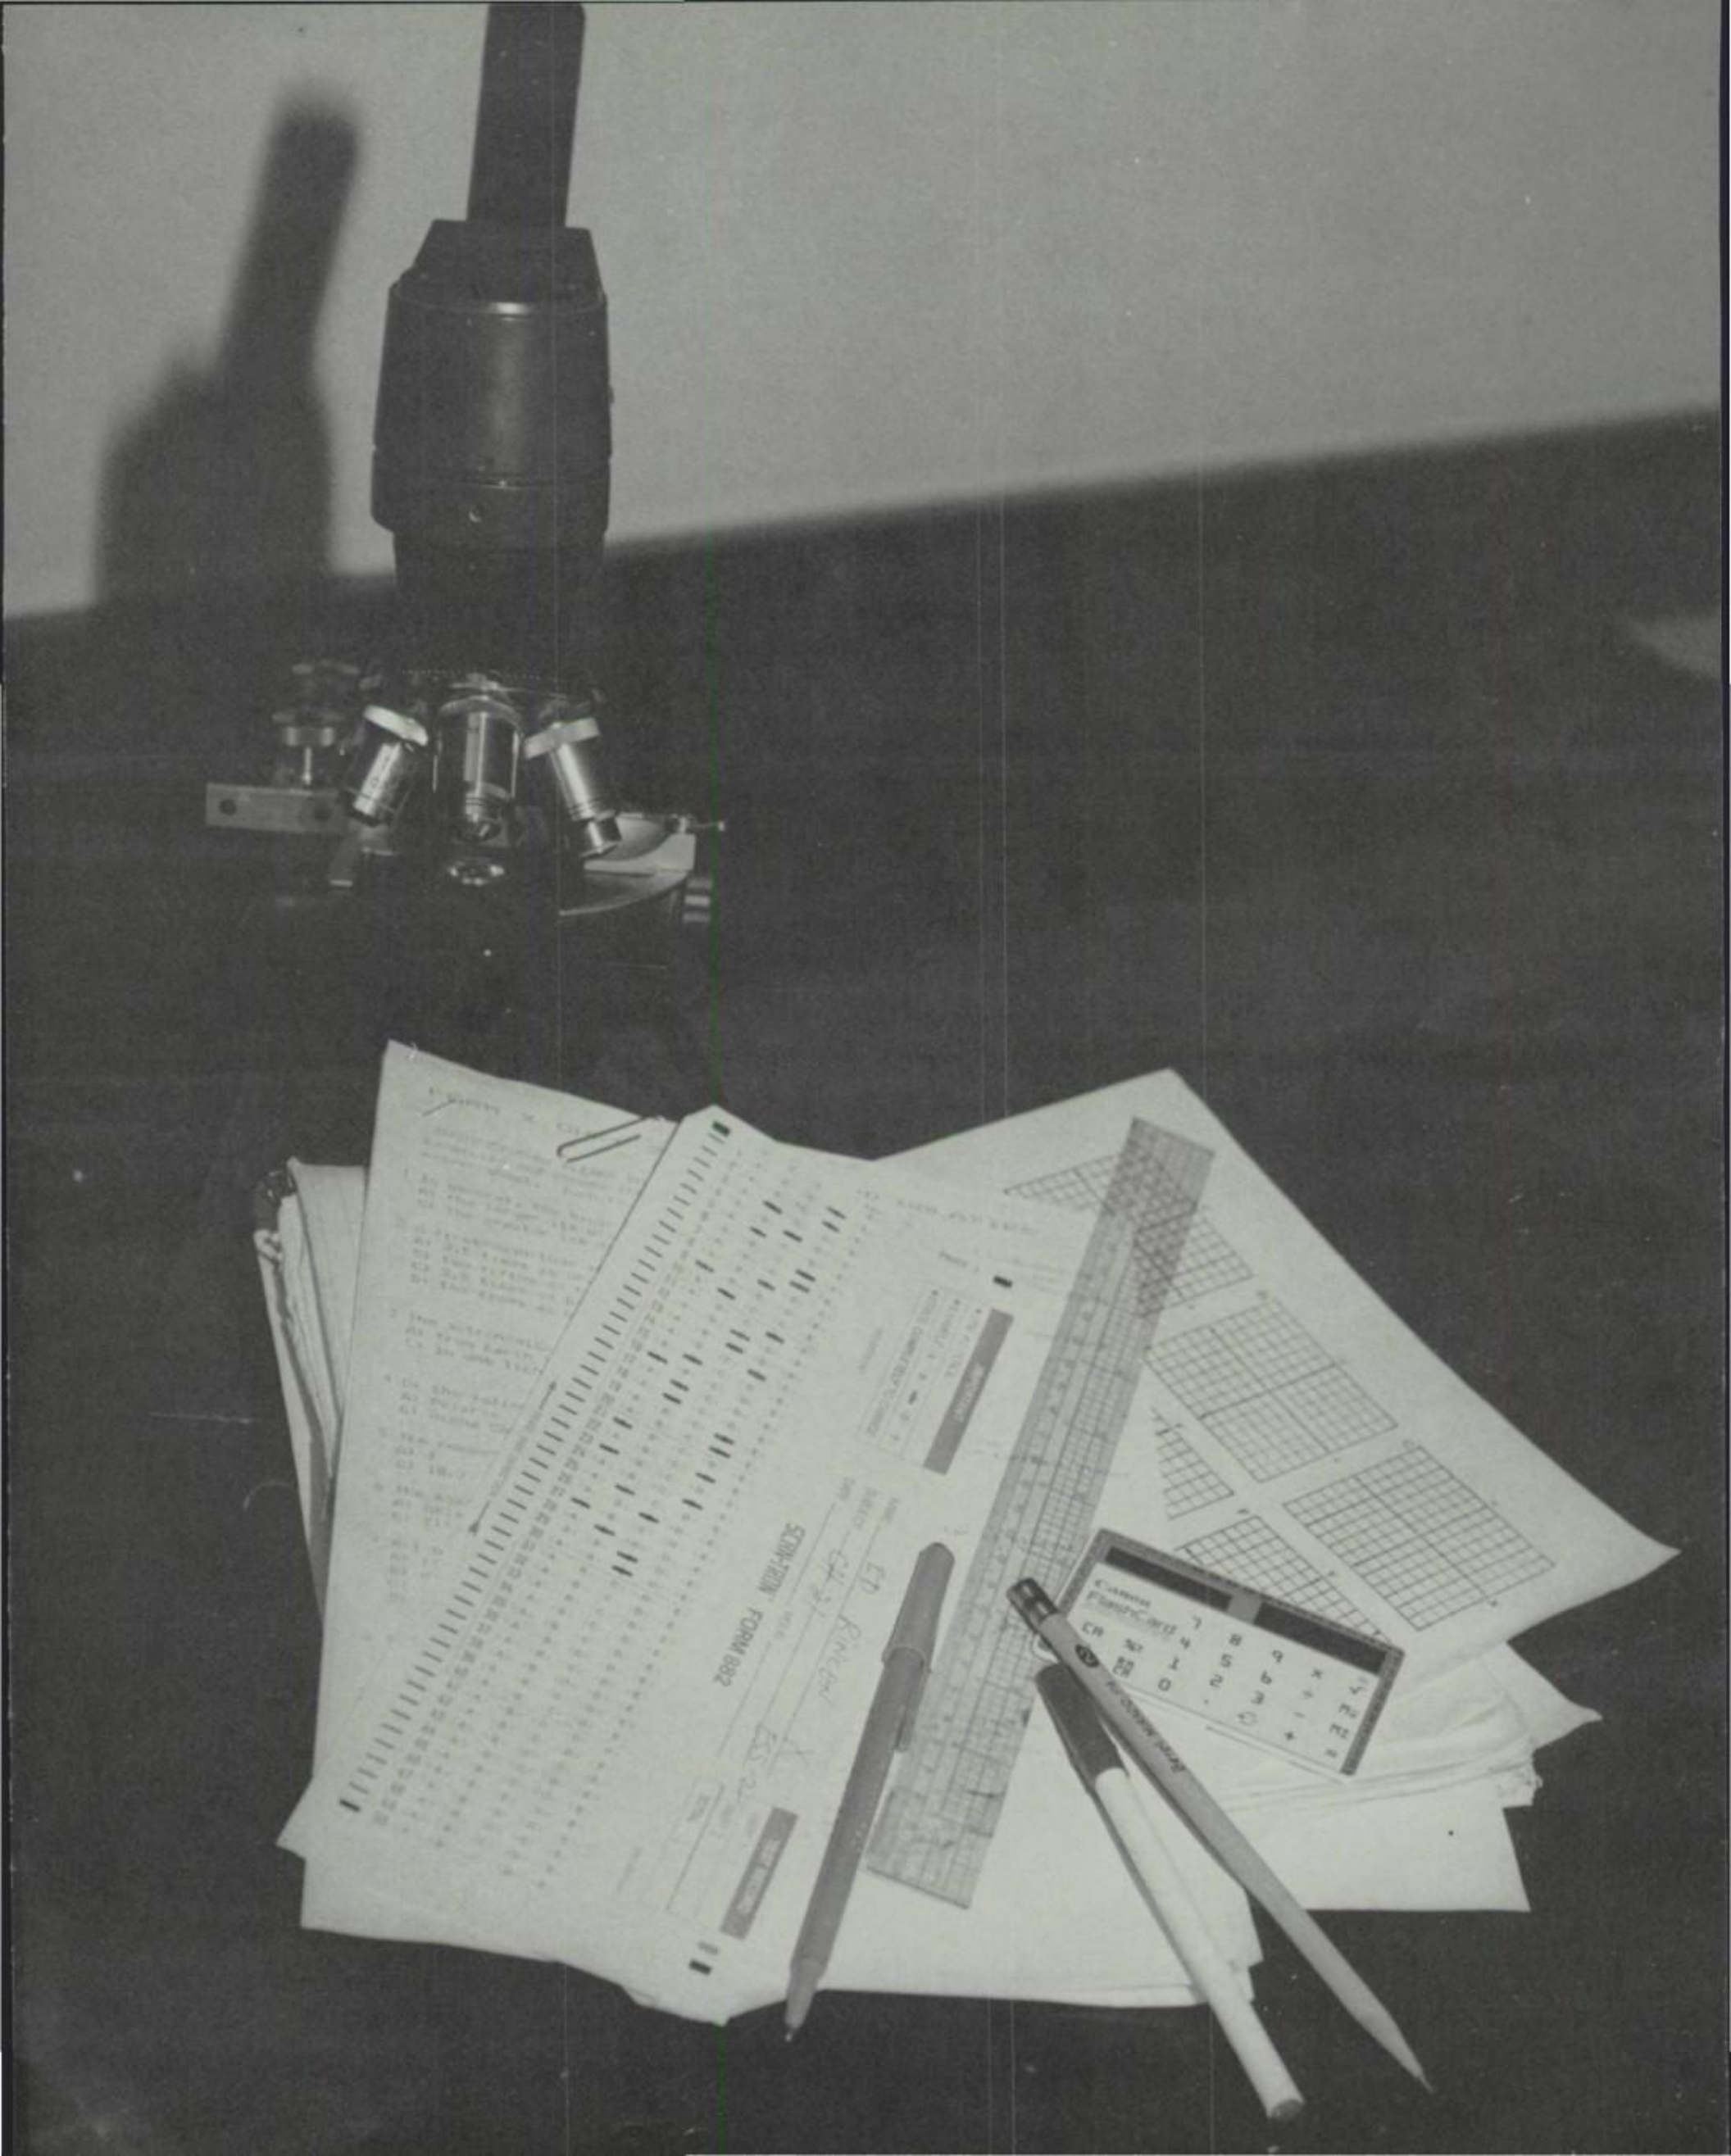
ACADEMICS



Curriculum changes were few but import

Changes in the curriculum at Tempe High were few but significant in terms of their impact on the students in the new classes.

The major curriculum change in the year was the addition of the Army Junior Reserve Officers Training Corps (JROTC) classes at the school. Previously offered only at Marcos de Niza High School in the District, sufficient interest at Tempe caused one class to be arranged using the Marcos faculty. The program emphasized leadership, self discipline, teamwork and military skills.

Emphsis in the Home Economics Department continued to shift away from the traditional 'housewife' jobs and to move more toward preparing students for a wide variety of roles in life. Among the new offerings was a Fashion Merchandising class. Highlighting the year was a fashion show where the class worked with local merchants to organize the presentation, select clothes designed to make a specific fashion statement, and to select models from a large number of student aspirants.

The Industrial Arts Department continued to modernize with more and more "high tech" equipment. A stress analyzer coupled with a computer helped students to build specially designed bicycles for a District wide contest. Drafting classes also called upon the computer to assist them in quickly changing designs. The complexity of modern cars meant auto students had to master a myriad of electronic equipment.

Students in business classes were called upon to learn to

Parade Rest! Army JROTC Cadets await the inspecting officer during one of their Thursday afternoon inspections.

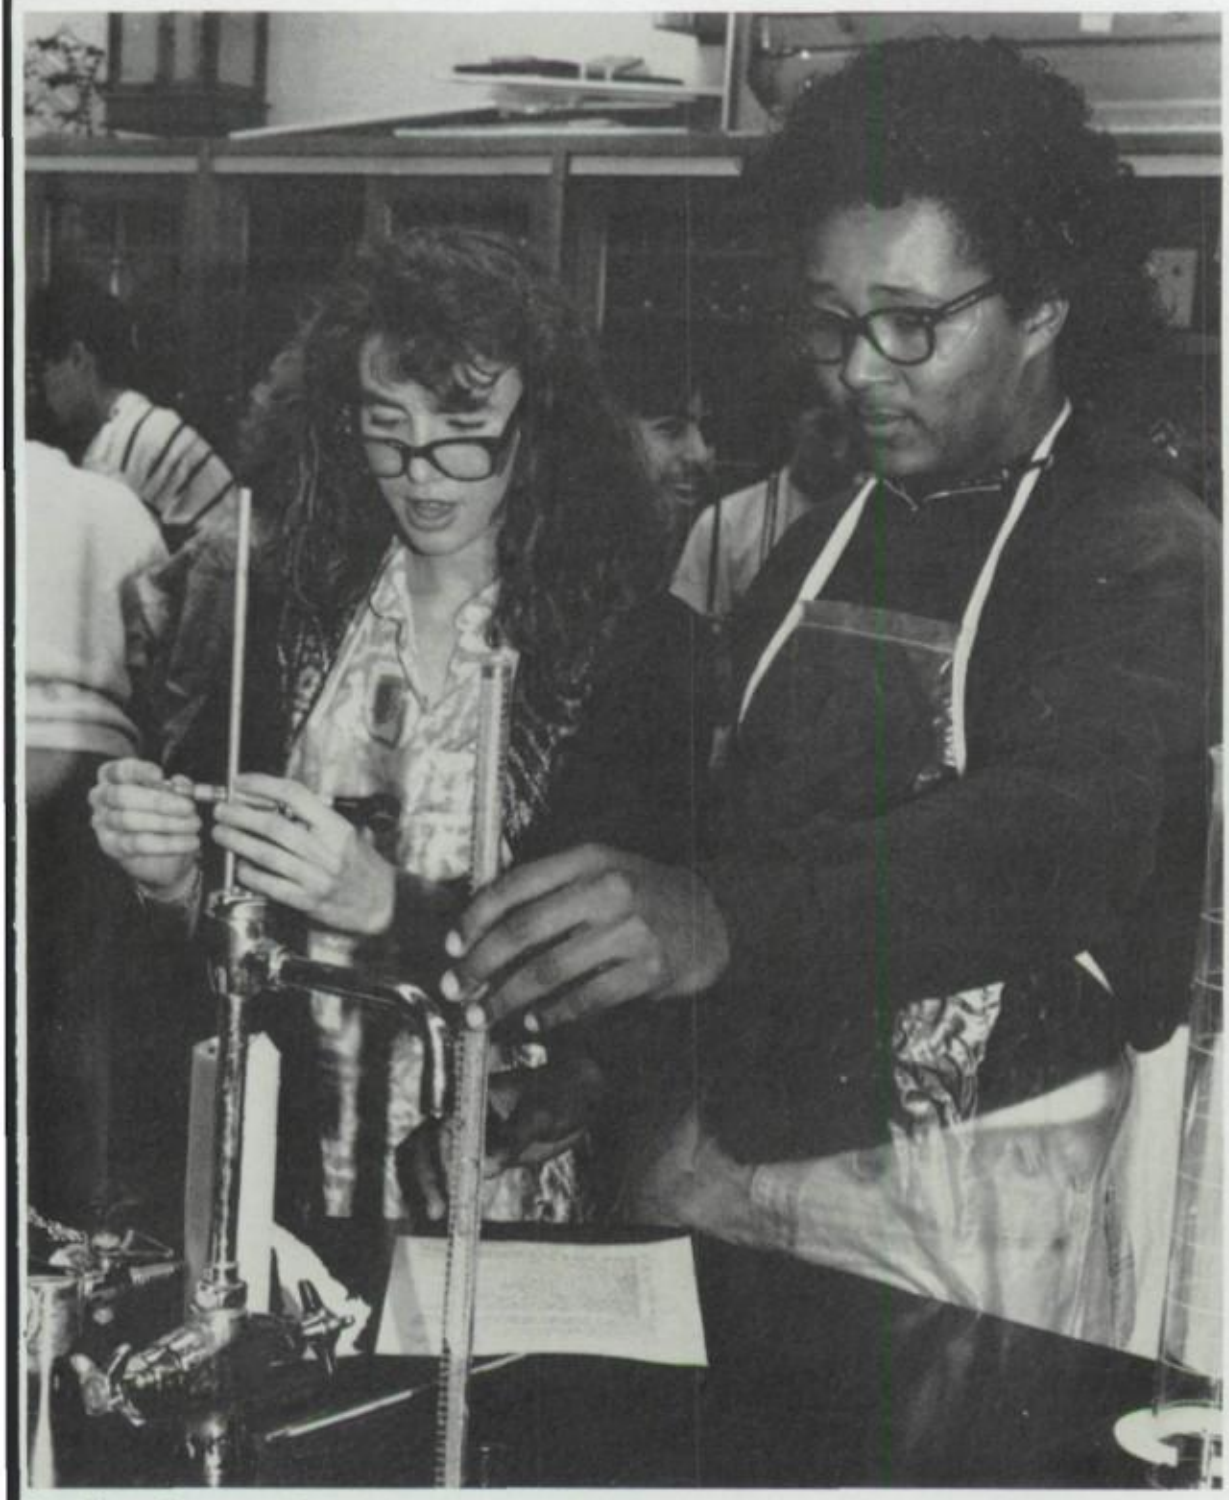
nt for school

operate a wide range of modern office equipment, a far cry from the simple typewriters of just a few years ago.

Almost all departments turned with growing frequency to the computer as a tool for either teaching or for simplifying administrative tasks.

But in the final analysis, despite the growing complexity of machines, it was the interaction between students and teachers, between students and the successful completion of assigned tasks that caused the transfer of knowledge.

Do you think so? Discussing candidates for models for the fashion show put on by the Fashion Merchandising class were judges Senior **Lani Carfagni** and Junior **Sherri Kinder.**



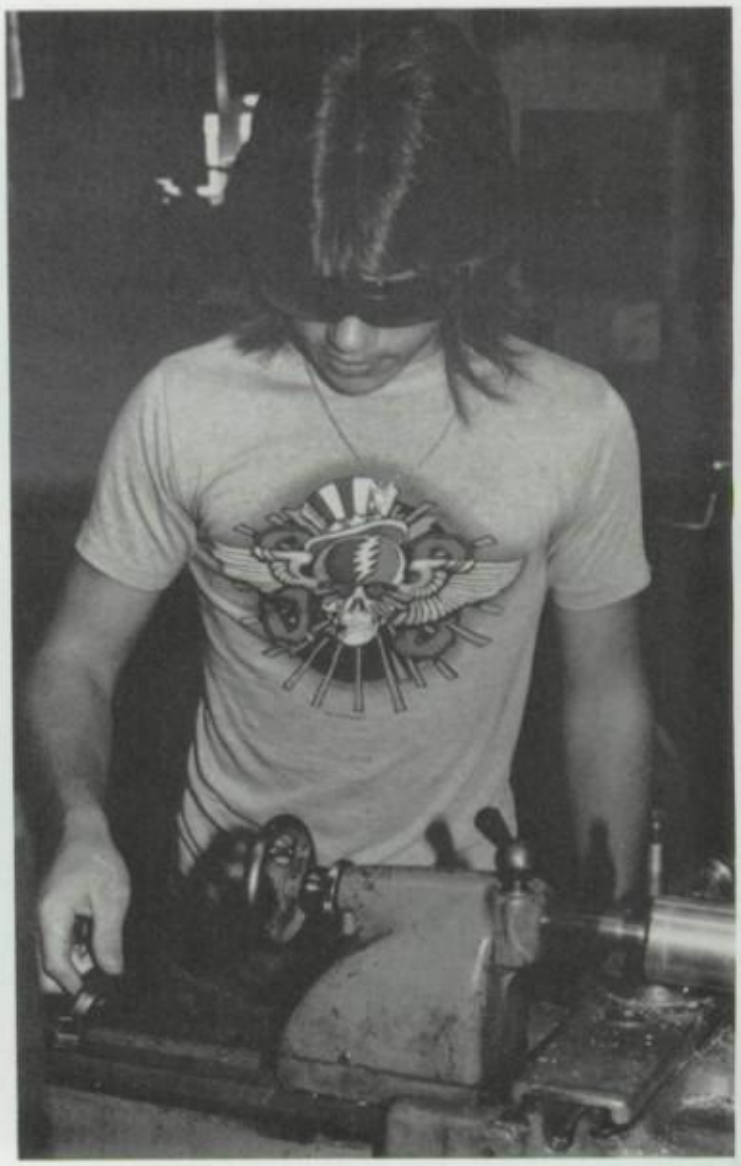
It fits here...Juniors **Dawn Winans** and **Albert Fanniel** do a chemistry experiment concerning the generation of hydrogen gas.

Whew! Seniors **Cindy Peterson** and **Holly Krecklow,** both models, pause during the Home Ec fashion show.

Burn! Sophomores **Valerie Frescholtz** and **Julie Thompson** investigate calories during a lab in their science class.

That's hot! Sophomore **Paul Scheibenreif,** Senior **Larry Leach** and S weld the frame of the bicycle entered in the District competition which was

Balanced! Junior **Rob Tutrone** makes a final adjustment on a machine in his auto class.



Lock it! Freshman **Darren Kaye** works on a lathe in his metals class in Industrial Arts.

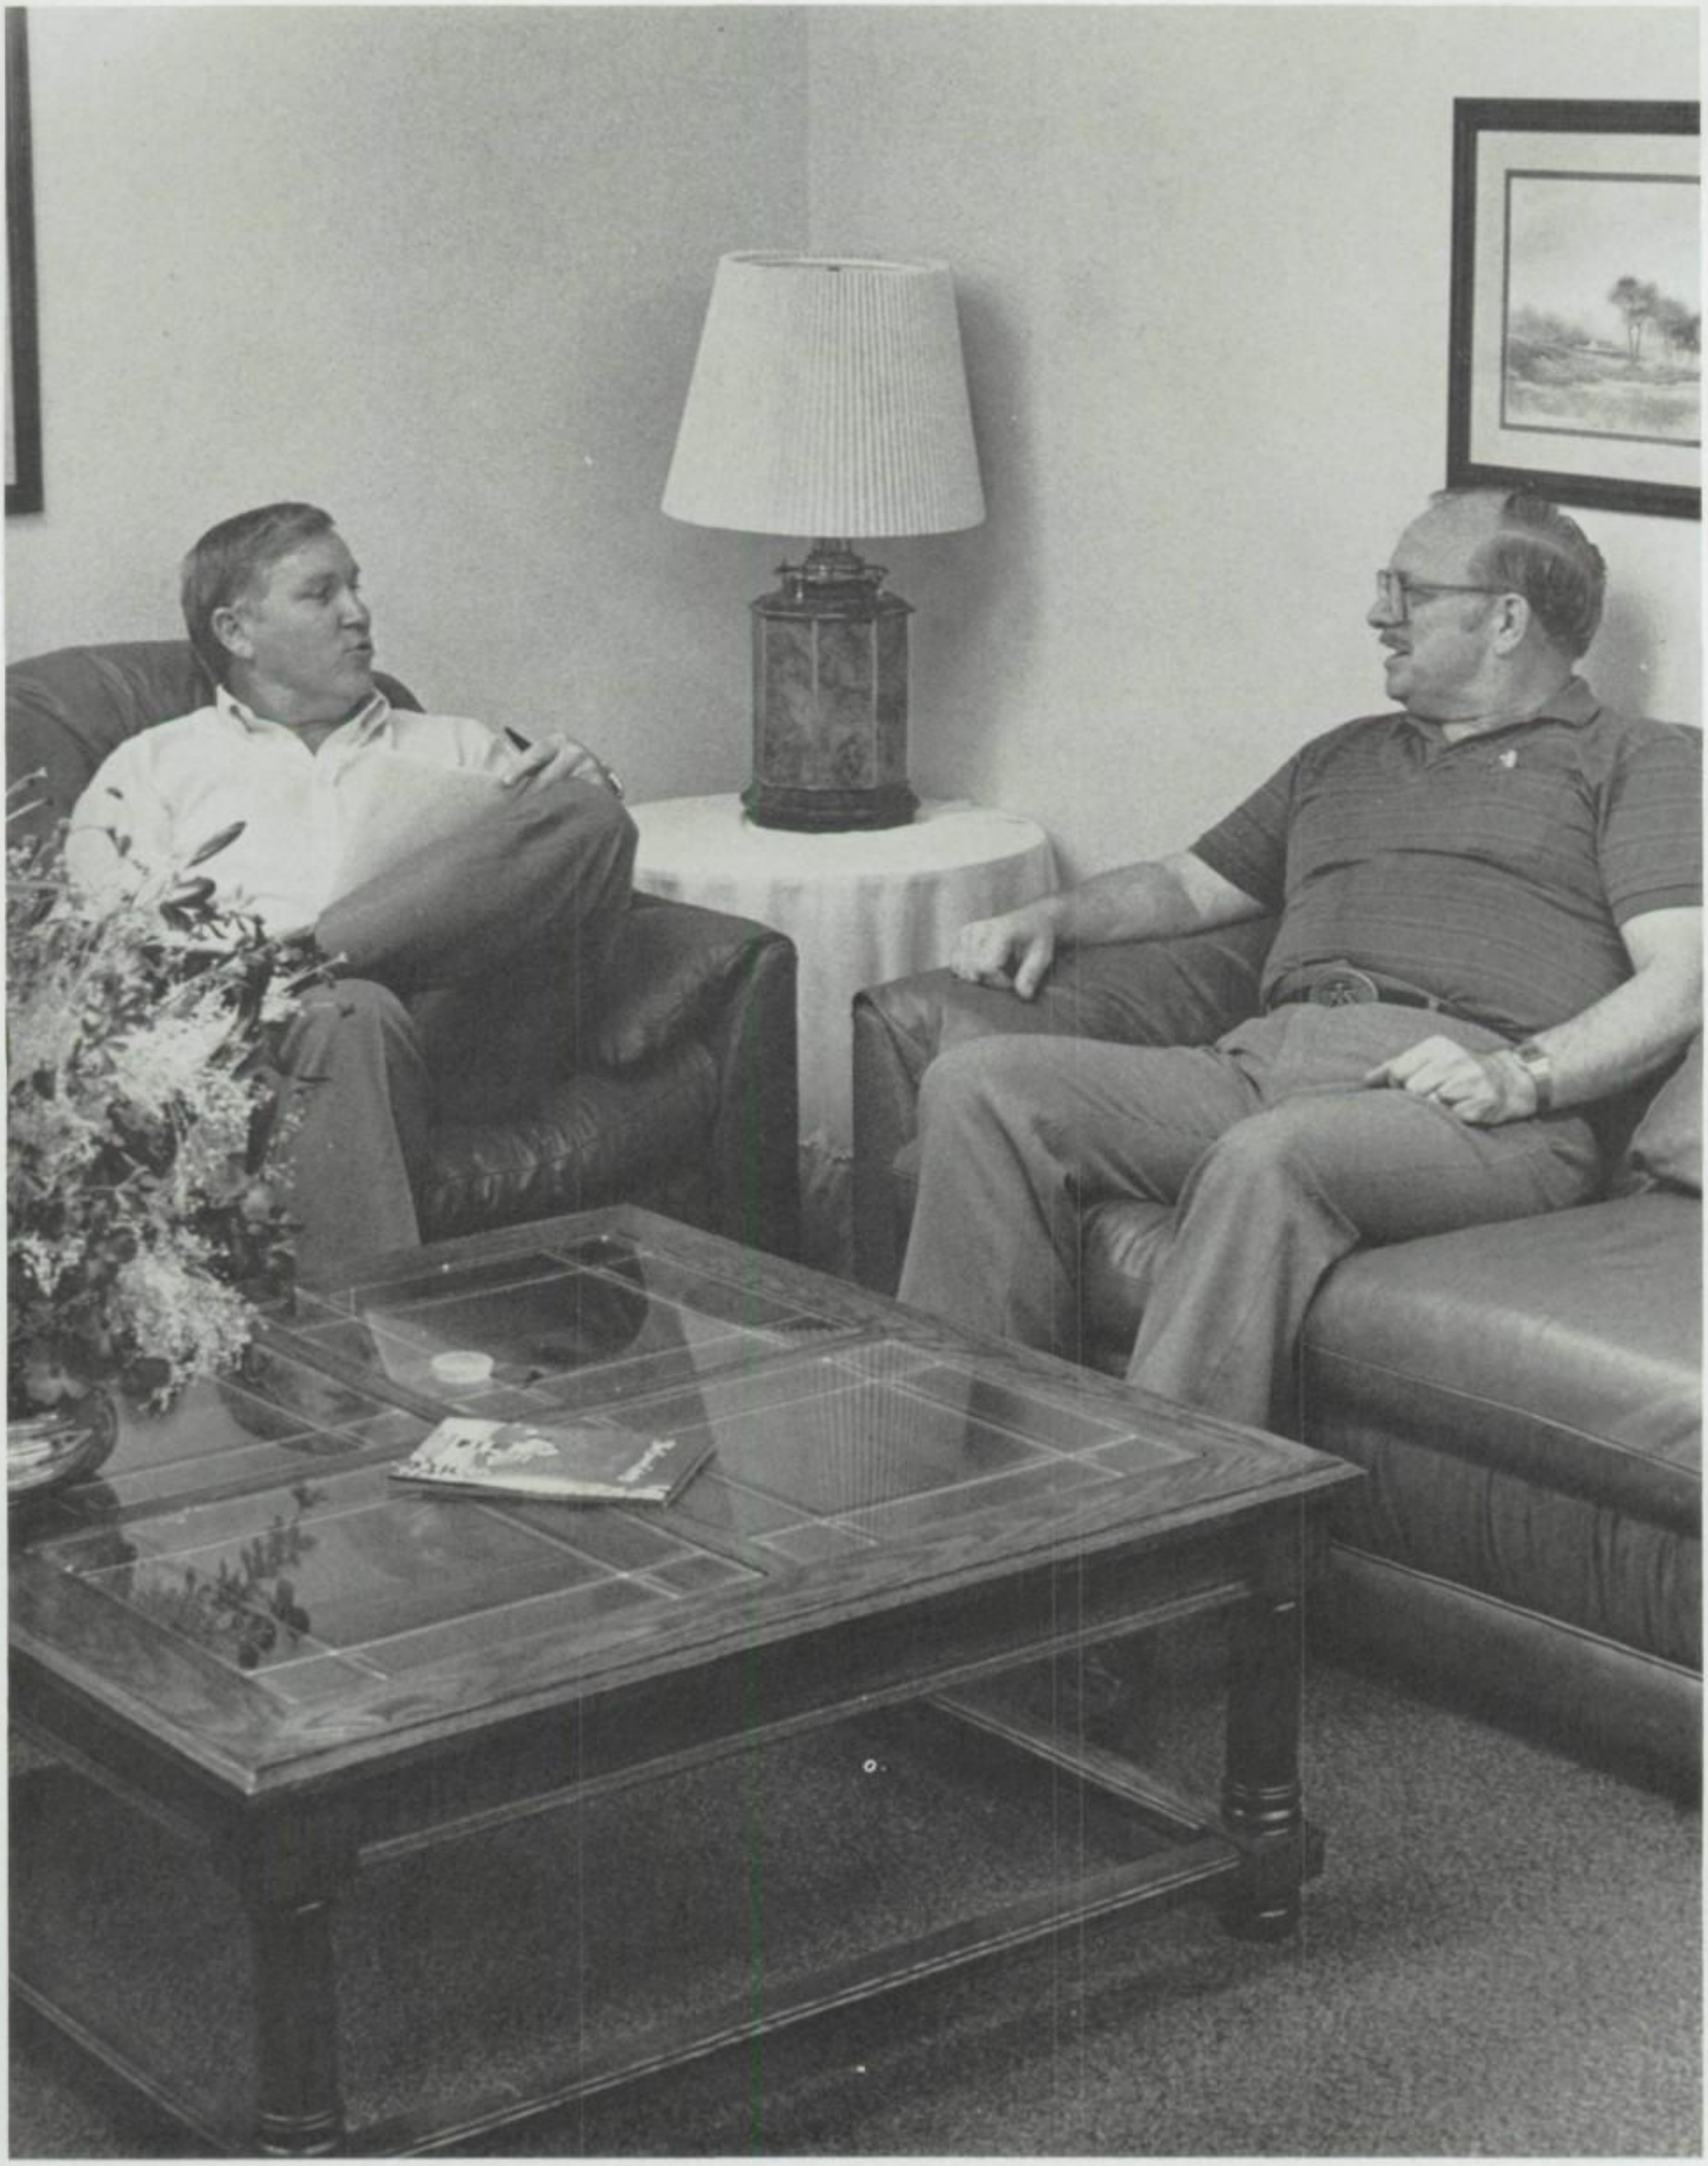
To enter data...COE student Senior **Collette Cox** works with a computer. Only a few years ago, the electric typewriter was the most modern office machine.

It's granite! Juniors **Leigh Ann Navarrette** and **Tasha Paschal** and Senior **Sara Colli** classify rocks in a science lab. All students were required to take two years of science to graduate from Tempe High.

FACULTY



Faculty increases; enjoys students

Except for the fact that this year was the first year for ten teachers at Tempe High, the faculty remained relatively stable with few changes from last year. The new teachers were generally excited about working at Tempe. The reason for most of the new teachers was the increase in the number of students. Mrs. Pat Neathery, who works in attendance, said, "We had about 300 more students this year than last. The work was the same. We just had more of it."

Mr. Jim Murphy, Driver Education teacher, thought that there was an improvement in the overall discipline and concern by the students about their education. He also believed that Tempe High was better than most other high schools in the district in that respect.

Ms. Maureen Buffington, Foreign Language and English teacher, said about the attitude of her students, "Generally, I found kids this year were more enthusiastic and conscientious than in past years." She also commented, "I love my job. Where else can a frustrated actress have a captive audience?"

Board aims for excellence

Aiming at continuing the excellent level of teaching and learning in the District, the TUHS Governing Board emphasized a common curriculum among the four high schools and continued teacher improvement through in service workshops and college courses.

A fifth high school was approved, named and design and building were underway at year's end. Enlargement of the District offices was completed.

There was, in fact, no major change. There was only continued improvement.

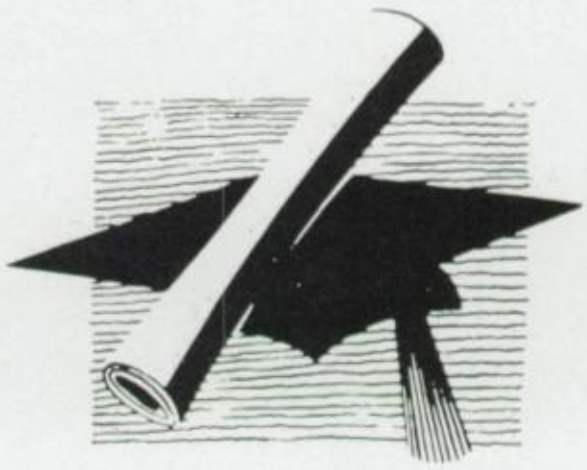
ALMA MATER

All praise to Tempe High School
  Your memory we hold dear
We shall never forget you
  Though we be far or near
And while your halls are ringing
  With our last victory cheer
Your memory will be sacred
  Through our remaining years
To you we are devoted
  We always shall be true
We will respect your banner
  Of purest white and blue
And when at last we've left you
  Will you remember too--
All the joys you gave us
  Our praise, Tempe, to you



FIGHT SONG

Hail to our fighting team
** Cheer them along the way**
Onward to victory
** May they win again today**
We'll give a cheer for our
** fighting team**
Long may they wave supreme
** Shout till the echoes ring**
For the glory of Tempe.
